The second part is your Policy Wording which sets out the detailed terms, conditions and exclusions of the Policy.

Because we don't know your own personal circumstances, you should treat any advice in this booklet as purely general in nature. It doesn't consider your objectives, financial situation or needs. This booklet is also a Product Disclosure Statement (PDS). Other documents you receive may comprise the PDS. You'll know when this happens because it'll say so in the document.

We may need to update information in this PDS. If we need to do this, we'll either send you a new PDS or a supplementary PDS. You can also get a copy of these simply by calling us.

Important Information

In this first part of the booklet we explain important information about this Policy including how we'll protect your privacy and how to make a complaint or access our dispute resolution service.

The cost of this policy

Premium is what you pay us for this Policy and it's made up of the amount we've calculated for the risk and any taxes and government charges.

When calculating your premium we take a number of factors into account, including:

- where the home or contents are located, the sum insured and your previous insurance and claims history.

Some rating factors do not affect all components of the premium calculation. For example, age discounts, retiree discounts, no claim bonus and loyalty discounts do not apply to the parts of the premium paid for liability cover or flood cover.

Cooling-off period

If you change your mind within 21 days of buying your Policy, you can cancel it and receive a full refund. Naturally, this doesn't apply if you've made or are entitled to make a claim. Even after the cooling off period ends, you still have the right to cancel your Policy. However, we may deduct some costs from any refund, as set out in the Policy Wording under 'Cancelling your Policy'.

To cancel your Policy within the cooling-off period, you can contact your financial services provider.

You can also contact our Customer Care Unit directly to make your complaint. Our aim is to resolve all complaints within 15 business days.

Step 2 - Escalate your complaint

If we haven't responded to your complaint within 15 days, or if you're not happy with how we've tried to resolve it, you can ask for your complaint to be escalated for an Internal Dispute Resolution (IDR) review by a Dispute Resolution Specialist.

The Dispute Resolution Specialist will provide QBE's final decision within 15 business days of your complaint being escalated, unless they've requested and you've agreed to give us more time.

Step 3 - Still not resolved?

Disputes not covered by the FOS Australia Terms of Reference

If your dispute doesn't fall within the FOS Australia Terms of Reference, and you're not satisfied with our decision then you may wish to seek independent legal advice.

Policy Wording

Your Policy is underwritten by QBE Insurance (Australia) Limited ABN 78 003 191 035 AFSL 239545.

Our agreement

Your Policy is an agreement between you and us, made up of:

- This Policy Wording
- Your Policy Schedule, which sets out the cover you've chosen and any terms specific to you.

The cover under this Policy is provided during the period of insurance, once you've paid us your premium. There are also:

- Conditions and exclusions which apply to specific covers or sections;
- General exclusions, which apply to any claim you make under this Policy;
- General conditions, which set out your responsibilities under this Policy;
- Claims conditions, which set out our rights and your responsibilities when you make a claim; and
- Other terms, which set out how this Policy operates.

Excesses

You must pay any excesses which apply to your claim. The excesses which you have to pay are set out in this Policy Wording or on your Policy Schedule.

How much we'll pay

The most we'll pay for a claim is the sum insured which applies to the cover or section you're claiming under, less any excess.

Paying your premium

The ways you can pay your premium, and the frequency you can pay it, are described below:

- in one (1) annual payment to your appointed financial services provider according to their business practices, or
- in monthly instalments by direct debit from your credit card or from your account with your financial institution which facility can be arranged by your financial services provider.

Annual premium

If you pay your premium annually, and it's not paid by the due date or if your payment is dishonoured, this Policy won't operate and there'll be no cover.

Instalment payments

If you pay your premium by instalment, your Policy Schedule will show the date and frequency of your instalments. If your direct debit details change you must tell us no later than seven days before your next instalment is due.

If you miss an instalment we'll contact you to ask you to pay it or arrange to collect it from you. If you don't pay the missed instalment your policy may be cancelled and we'll write to you to let you know when this will happen.

If you don't pay the missed instalment and a claim arises, then we may refuse to pay your claim.

At renewal

If you pay by instalments, and you renew your Policy, we'll continue to deduct instalments for a renewed Policy at the new premium level according to the same instalment pattern, unless you tell us to stop your direct debit.

If the first instalment for a renewed Policy isn't received we'll try and retake the instalment after seven days. If it remains unpaid, your renewed Policy won't operate and there'll be no cover.

If an instalment is unpaid, we'll send you a reminder letting you know when we're going to retake the instalment. If we still don't receive your payment after this reminder, we'll write telling you the date your Policy will be cancelled unless your payment arrives. Then, if we don't receive a payment, we'll send you a notice to confirm your Policy has been cancelled.

Adjustment of premium on renewal

If we agree to renew your Policy and you claim for an incident that happened during a previous period of insurance, you must tell us about it. You agree to pay us any additional premium increase we'd have required you to pay if you'd told us about the claim before your Policy was renewed.

This condition doesn't affect any other rights we have at law or under this Policy.

If your payment details change

If the direct debit details you use to pay us change, such as you changing credit cards or bank accounts, you must tell us at least seven days before your next payment date.

How we will pay

Home

- (a) At our option we:
- repair the home, or
 - replace the home to a condition substantially the same as, but not better than when new, or
 - pay the reasonable cost of its repair or replacement to a condition substantially the same as when new, or
 - pay up to the sum insured shown on your Policy Schedule.

If your home is damaged beyond economic repair, we will pay no more than the reasonable cost of replacement when new even if you have insured for an amount greater than the reasonable cost of replacement when new. When we pay your claim for your home being damaged beyond economic repair, the Policy is exhausted and comes to an end.

Special benefit – Home sum insured safeguard

If we agree that the cost to repair or replace your home is greater than your home sum insured, then we will pay up to 30% more than your home sum insured to, at our option:

- repair the home, or
- replace the home to a condition substantially the same as, but not better than when new, or
- pay the reasonable cost of its repair or replacement to a condition substantially the same as when new.

This special benefit applies only if:

- (A) this Policy insures your home, and

- (B) your home is so damaged by an event that is insured by this Policy that it is considered by us to be a total loss, and
- (C) the cost to repair or replace your home is greater than your home sum insured because either:
 - (i) the increased cost of repairing damage to your home was caused directly by a catastrophic event; or
 - (ii) you correctly used the QBE home building sum insured calculator on the QBE website located at www.qbe.com.au/isc to calculate your home sum insured and the calculator estimated an inadequate sum insured for your home, provided;
 - that you can demonstrate that you correctly used the QBE home sum insured calculator to determine your home sum insured, and
 - your home is substantially the same as when you used the QBE home sum insured calculator (for example, you have not added to nor extended your home), and
 - you have not reduced any sum insured that we have offered on any renewal invitation since you used the QBE home sum insured calculator.

Catastrophic event means a suddenly occurring, major, natural disaster that is insured by this Policy, where the resultant damage to property in the vicinity of your home and generally is so extensive and widespread that the resultant surge in demand for the materials and labour required to repair buildings causes a surge in the prices of building repairs.

This special benefit only relates to the home. It does not apply to any other insured property, Policy section, additional benefit or other Policy feature.

- (b) You may choose to have the home replaced at another site, but we do not pay more than the sum insured.
- (c) If your home is damaged beyond economic repair and you do not commence rebuilding within six (6) months of the damage occurring, (or any other period which we agree with you in writing) you may have to pay any increase in cost caused by your delay.
- (d) If part of a home is damaged by an insured event and we agree to pay your claim, we pay only for the part or parts of the home that actually sustained damage. We do not pay to replace any undamaged materials.

However, if:

- it is impossible to acquire new material to replace the damaged material that reasonably matches the undamaged portion to a similar extent as immediately prior to the damage occurring, and
- the amount of damaged material that cannot be matched to the undamaged material is more than 40% of the total material that

would have to be replaced if all the matching damaged and undamaged material was replaced,

then we will replace both the damaged and undamaged material.

Example 1

There are 300 matching white, wall tiles in the bathroom. As a result of a burst pipe, 8 bathroom wall tiles are damaged. We would pay only the reasonable cost to repair or replace the 8 damaged tiles to a condition substantially the same as when new.

(In addition, we would pay for damage sustained in locating the leak under insured event (h) in the table under the heading 'What you are insured against, and what you are not'.)

Example 2

There are 300 superseded, matching, wall tiles in the bathroom. As a result of a burst pipe, 140 wall tiles are damaged. It is impossible to locate tiles that reasonably match the remaining 160 tiles. Over 40% of the matching wall tiles have been damaged. Therefore, we would pay the reasonable cost to repair or replace all 300 tiles (140 damaged and 160 undamaged) to a condition substantially the same as when new. We would be entitled to keep the 160 undamaged wall tiles by way of salvage. We would not pay to replace any tiles located in a room other than where the loss or damage occurred.

- (e) Where materials that are required to settle a claim that we agree to pay are not commercially available in Australia, at our option, we will:
- replace the material with the nearest equivalent or similar new materials available in Australia or overseas, or
 - pay the cost to replace the material with the nearest equivalent or similar new materials available in Australia or overseas.

Contents

- (a) At our option we will:
- repair the damaged items, or
 - replace the items with items substantially the same as, but not better than when new, or
 - pay the reasonable cost of repair or reinstatement to a condition substantially the same as, but not better than when new, or
 - pay up to the sum insured shown on your Policy Schedule.

If your contents are damaged beyond economic repair, we will pay no more than the reasonable cost of replacement when new even if you have insured for an amount greater than the reasonable cost of replacement when new. When we pay your

claim for all your contents being damaged beyond economic repair, the Policy is exhausted and comes to an end. We will not pay more than the total contents sum insured for all contents lost or damaged.

- (b) If we agree to pay a claim where film, photos, home movies or home videos or any similar recorded material is destroyed, we pay for the replacement with new, blank film, videos or similar. (e.g. If a compact disc upon which you had photos stored is destroyed, we would replace it with a new, blank compact disc). We do not pay to reconstruct any circumstances or conditions.
- (c) If we agree to pay a claim where software is lost, damaged or destroyed, we pay the cost to replace it with the nearest equivalent new software. We do not pay for any software that was acquired by you at no cost.
- (d) Where an item required to settle a claim that we agree to pay is not commercially available in Australia, at our option, we will:
- replace the item with the nearest equivalent or similar new item available in Australia or overseas, or
 - pay the cost to replace the item with the nearest equivalent or similar new item available in Australia or overseas.
- (e) The maximum we pay on the following contents items is shown in the table below. You may obtain higher limits for (a), (b), (c), (f) or (g) by having any of these items specified on your Policy Schedule. We will pay up to the amount specified for each item.

Contents where a maximum limit applies	Maximum limit
(a) Works of art, pictures, tapestries, rugs, antiques.	\$7,500 per item and in total 20% of the sum insured for unspecified contents.
(b) Items of jewellery, gold or silver articles, furs, watches.	\$1,500 per item and in total \$6,000.
(c) Collections of any kind.	\$4,000 per collection and in total 20% of the sum insured for unspecified contents.
(d) Office or surgical equipment used by you or your family in your or their own business in the home.	\$10,000 in total.
(e) Other equipment used by you or your family for earning income.	\$3,000 in total.

Contents where a maximum limit applies	Maximum limit
<p>(f) Accessories, or spare parts of motor vehicles (including motor cycles and motor scooters), caravans, trailers and watercraft not in or on the motor vehicle, caravan, trailer, or watercraft. We do not include motor vehicle keys, remote locking or alarm devices as accessories - they are not covered by this Policy.</p>	<p>\$500, unless your unspecified contents sum insured is greater than \$50,000 in which case the maximum limit will be the lesser of 1% of your unspecified contents sum insured or \$1,000.</p>
<p>(g) Bicycles.</p>	<p>\$1,500 per bicycle.</p>
<p>(h) Cash, coins, negotiables or bullion.</p>	<p>\$500 in total.</p>
<p>(i) Storm damage to or theft of contents in the open air.</p> <p>Open air is restricted to the site and includes:</p> <ul style="list-style-type: none"> • any area without a fixed covering such as a ceiling or roof that entirely covers a fully enclosed and lockable area or lockable structure, and • non lockable parts of the home. <p>For example, the back yard would be considered the open air even if it is surrounded by a fence and has locked gates because it has no roof or ceiling.</p> <p>Open air also means in or on a motor vehicle, motor cycle, trailer or caravan, at the site whether those vehicles are locked or not.</p>	<p>\$2,000, but this \$2,000 limit does not apply to spas or above-ground swimming pools that are full.</p>

Note:

Where an item could be classified under more than one (1) of the above maximum limits, (a) through to (i), the lower or lowest limit applies. For example, if an item of unspecified, antique jewellery worth \$3,000 was stolen from the home and we agreed to pay the claim, the maximum limit of \$1,500 for jewellery would apply rather than \$7,500 for antiques. If the item has been specified for \$3,000, then we would pay up to \$3,000 to replace the item. The sum we pay you would be subject to any applicable excess.

If we choose to pay to replace a specified item, we will pay no more than the amount that it would cost us to replace the item with an item substantially the same as, but not better than when new, even if you have specified the item for a higher amount, whether or not you have supplied a valuation. We have negotiated special arrangements with various suppliers to purchase items for less than retail cost. Premiums are therefore based upon us replacing items at less than retail cost.

Antiques

Where we pay a claim for an antique item, and the market value of the item exceeds the cost of its replacement with a new item because of its antiquity and rarity, we will treat the market value as though it is the cost to replace the lost or damaged antique with a new item.

For example:

An antique sterling silver claret jug created in 1880 is stolen and we agree to pay the claim. The antique jug has been specified for a value of \$11,000 and a valuation for \$11,000 has been supplied to us. To replace the item with the closest, similar new item would cost \$2,100. At the time of the loss, our inquiries indicate that to replace that antique item at market value would be approximately \$11,000 but there is no equivalent item currently for sale in Australia or overseas. The market value of the item is higher than the new replacement cost due to the item's antiquity and rarity. In this instance, we would pay you \$11,000 for the jug rather than \$2,100. The sum we pay you would be subject to any applicable excess.

- (f) Floor and wall coverings, blinds and curtains
For wall coverings, and carpets and other floor coverings, curtains and internal blinds, we pay only for items in the room, hall or passage where the damage occurred.
 - (g) Pairs and Sets
A 'pair or set' means two (2) or more articles, the collective value of which exceeds the sum of their individual values.
If any item lost or damaged is part of a pair or set, we pay no more than the actual value of the item. We do not give any allowance for any special value it may have as forming part of a pair or set, or for any reduction in value of the remaining part or parts.
-

Section 3: Cover for your legal liability

What you are covered against

If this Policy covers your home

If this Policy covers your home or, if the home is a strata titled residence and your contents are insured under this Policy, we insure you and any member of your family against any claim for compensation or expenses which you or the member of your family become legally liable to pay for:

- (a) the death of, or personal injury to, any person,
- (b) the loss of, or damage to, property,

resulting from an occurrence during the period of insurance arising out of the ownership of the home or occupancy of the home.

In this section we include land, trees, shrubs and other plant life on the site as part of your home.

- (a) the death of, or personal injury to, any person,
- (b) the loss of, or damage to, property,

resulting from an occurrence during the period of insurance, anywhere in the world that is not related to the ownership of your home.

An 'occurrence' includes continuous or repeated exposure to substantially the same general conditions. We regard all death, personal injury or loss or damage to property arising from one (1) original source or cause as one (1) occurrence.

Personal Injury means; bodily injury, shock, mental anguish or mental injury, including death. Personal injury does not include the publication or utterance of a libel or slander, any defamation of character nor invasion or breach of privacy.

Bodily Injury means physical bodily harm including sickness or disease, and any resultant required care, loss of services, loss of consortium or death.

Additional benefit - Liability

This additional benefit applies only when you occupy the home insured by this Policy as your primary residence or this Policy insures your contents in your primary residence.

Motor vehicle liability

What we insure you against:

- (a) We insure you and any member of your family against any claim for compensation or expenses which you or the member of your family become legally liable to pay for:

When we do not insure you or your family

We do not insure you or your family:

- (a) if you or your family are entitled to be wholly or partly insured by any compulsory statutory insurance or accident compensation scheme, or would have been, but for failure to register the vehicle or to apply for cover under the scheme or to comply with a term or condition of the scheme,
- (b) if you or your family are entitled to be wholly or partly protected by any other policy of insurance which specifically covers the vehicle (except where this exclusion would contravene s.45 of the *Insurance Contracts Act, 1984* (Cth)).

What you are not covered against

(applies to 'Legal liability' and 'Additional benefit - Liability')

When we do not insure you or your family

We do not insure you or your family:

- (b) against fines, penalties, or punitive, aggravated, multiple or exemplary damages.

We do not insure you or your family against liabilities arising from:

- (a) any agreement, unless liability would have attached to you or your family if that agreement did not exist,
- (b) death of or personal injury to you or to any person who normally lives with you.

In this exclusion we consider that a person normally lives with you, if that person:

- has lived with you in your home as their primary residence for sixty (60) days or more out of any ninety (90) consecutive day period (irrespective of the commencement date of the Policy) during which there is an occurrence; or
 - has lived with you in your home and intends or intended to use your home as their primary residence for sixty (60) days or more out of any ninety (90) consecutive day period (irrespective of the commencement date of the Policy) during which there is an occurrence;
- (c) death of or personal injury to anyone employed by you or by someone who lives with you if the death or injury arises out of their employment,
 - (d) damage to property belonging to you or any person who normally lives with you or to your or their employees,
 - (e) any workers compensation legislation, industrial award or agreement, or statutory accident compensation scheme,
 - (f) the ownership, custody, or use of any lift (other than a lift that exclusively services you home provided that your home is free standing and solely occupied by you and your family), aerial device or aircraft (except model aircraft or toy kites), aircraft landing area, boat exceeding three (3) metres in length (except canoes, surfboards, surf skis or sailboards) or motorised watercraft,
 - (g) the conduct of any activity carried on by you or your family for reward except for letting the home for domestic purposes or babysitting on a casual basis.
Babysitting cannot be considered to be on a casual basis where:
 - the babysitting is not of a casual nature;
 - any licence or other permission is required by any government body or public authority in order to legally conduct the babysitting;
 - the income derived from babysitting is the primary or only source of the household's income;
 - there is a registered business associated with the babysitting;

This exclusion does not apply to a domestic garage sale provided:

- the garage sale is held at the site;
- the goods sold belong to you or your family or immediate family members that do not live with you;
- the goods sold are second hand domestic goods sold in domestic quantities;
- the sale does not form part of any business, trade or profession;

- the goods sold at the garage sale by you or your family have not been purchased for the sole purpose of re-sale; and
 - you do not hold more than one garage sale per period of insurance. (A garage sale over one weekend would be considered as one garage sale.);
- (h) vibration or the weakening of, removal of or interference with support to land, buildings or other property,
- (i) building work, construction or demolition of a building, including the home if the value of the work exceeds \$50,000,
- (j) death or personal injury to any person arising out of pregnancy or the transmission of any communicable disease by you or your family,
- (k) the ownership of land, buildings or structures other than the home. If you have insured your contents only, then you are not covered for any legal liability arising from the ownership of any land, buildings or structures,
- (l) loss, damage or injury intentionally caused by you or a member of your family or a person acting with your consent or the consent of any member of your family,
- (m) the lawful seizure, confiscation, nationalisation or requisition of the property insured,
- (n) destruction of or damage to property by any government or public or local authority,
- (o) the ownership or use of any motor vehicle other than under the cover given by the 'Additional benefit - Motor vehicle liability',
- (p) any act or omission that is knowingly illegal, dishonest, fraudulent, wilful, malicious or done with reckless disregard for their consequences by you, your family or a person acting with the consent of you or your family.

What we will pay

- (a) We pay up to \$30,000,000 for any one occurrence.
- (b) We do not pay more than this amount in total under all policies we have issued to you which cover the same liability.
- (c) In addition to this amount, we pay legal costs for which we have provided prior written approval.
-

Section 4: Additional benefits

We give you the following additional benefits. For any additional benefits to be payable, you must suffer or incur the relevant loss, liability or damage during the period of insurance.

We pay additional benefits 1 to 12 as part of the sums insured for home or contents, depending on the type of cover you have chosen:

1. Temporary removal of your contents

If this Policy insures your contents in your primary residence, we also insure them in a bank or safe deposit, or for a period of up to 120 consecutive days while you or your family are residing in any dwelling or residential flat, boarding house, boarding school, hotel, motel, residential club, nursing home or hospital, anywhere in Australia.

We also insure your contents when they are being carried by you or your family anywhere in Australia, excluding any cover for theft.

We do not pay for any loss or damage:

- (a) to contents in the open (including non-lockable structures) away from the site, or in a vehicle, caravan, tent, watercraft or aircraft,
- (b) to property used in connection with a profession, trade or business,
- (c) caused by theft of cash, mobile phones, portable computers of any kind or jewellery unless there is evidence of forcible and violent entry.

We pay up to 20% of the sum insured under unspecified contents on the Policy Schedule, however the sub-limits will also apply as set out in the table under 'How we will pay - Contents' point (e).

Contents are not covered for loss or damage if you have permanently removed them from the home, other than as provided under 'Additional benefit 8 - Change of site'.

2. Fees

If this Policy insures your home, and

- it is damaged as a result of an insured event, and
- we agree to pay a claim,

we pay any reasonable fees which we have approved and which are incurred directly in relation to repair or replacement of your home.

3. Removal of debris

If this Policy insures your home, and

- it is damaged as a result of an insured event, and
- we agree to pay a claim,

we pay the reasonable costs of demolition and removal of debris from the site to the nearest authorised facility.

If the damage is caused directly by a fallen tree that has, as a result of the insured event, become debris, we will remove the tree from the site. We will remove a standing tree or branch that formed part of the tree that caused the insured damage only if:

- (a) we agree that the remaining tree or branch is unsafe,
- (b) the remaining tree or branch only became unsafe as a direct result of the insured event causing damage to the tree, and
- (c) all necessary approvals have been obtained and removal of the tree or branch would not result in a breach of any laws, by-laws, regulations or contractual obligations.

We will remove a stump that formed part of the tree that caused the insured damage only if:

- (a) all necessary approvals have been obtained and removal of the stump would not result in a breach of any laws, by-laws, regulations or contractual obligations, and
- (b) not removing the stump would interfere with repairing or replacing the damaged part of the home required to settle your claim.

If this Policy insures your contents, and

- they are damaged by an insured event, and
- we agree to pay a claim,

we pay the reasonable costs of removal of contents debris from the site to the nearest authorised facility.

4. Extra costs of reinstatement

If this Policy insures your home, and it is damaged as a result of an insured event and we agree to pay a claim, we pay the extra costs necessary to meet the requirements of any statutory authority in connection with rebuilding or repairing your home at the site.

If only part of your home is damaged, we pay only the extra costs you incur in repairing that part.

We do not pay any extra costs which resulted from any notice which a statutory authority served on you before your home suffered loss or damage.

5. Illegal use of credit card or financial transaction card

If this Policy insures your contents and a credit card or financial transaction card is lost or stolen, we pay up to \$1,500 towards any legal liability you incur from its unauthorised use.

We do not pay if:

- the card does not belong to you or your family;
- you have not complied with the card issuer's requirements;
- the unauthorised user of the card is someone living at the site.

6. Visitors' contents

If this Policy insures your contents in your primary residence, we also insure contents up to \$1,000 in total belonging to any visitors temporarily living with you at the site for up to thirty (30) consecutive days.

We do not pay:

- for visitors' contents that are insured under another policy taken out by someone other than you or your family;
- for any cash or negotiable instruments.

7. Replacement of locks and keys

We pay up to \$750 to replace/alter locks or keys, if:

- locks to your home are damaged; or
- keys to your home are stolen;

by someone breaking into your home.

8. Change of site

If this Policy insures your contents and you are moving into a new home within Australia, we insure your contents at both sites for a maximum of sixty (60) days. The maximum we pay at each site will be the proportion of the sum insured that the value of the contents at that site bears to the total value of the contents at both sites.

You must tell us of your new address within sixty (60) days of first moving to it. If you wish to insure your contents at your new address after that sixty (60) days we must agree to insure them at that address.

You must pay us any additional premium we ask for and comply with any conditions we impose.

9. Contents being conveyed to your new residence

This additional benefit applies if this Policy insures your contents in your primary residence.

We insure your contents if they are damaged while they are in a vehicle being used to convey your contents. The damage must occur directly as a result of:

- theft of the conveying vehicle involving the use of violent force;
- fire on the conveying vehicle;
- collision and/or overturning of the conveying vehicle;

while your contents are in transit by road to:

- your new, principal place of residence; or
- a storage facility at which your contents or some of your contents will be temporarily located pending conveyance to your new principal place of residence;

within Australia.

We do not insure your contents:

- for removal to any residence other than one intended to be occupied by you as your principal residence;
- for damage to china, glass, earthenware or any other item of a brittle nature;
- for damage caused by scratching, denting, bruising or chipping;
- for any more than \$5,000 in any one (1) period of insurance;
- outside Australia.

10. Trees, shrubs and plants

If you occupy the home insured by this Policy as your primary residence, we pay up to \$200 for loss or damage to any one (1) tree, shrub or plant and up to \$2,000 in total in any one (1) period of insurance caused directly by an insured event other than storm or flood, or other events connected to the weather or any event that is not sudden and unforeseen. We do not insure grass or lawn. We only repair or replace trees, plants or shrubs that as a direct result of the insured event, are so damaged that they die, are permanently disfigured or not recovered after being stolen.

11. Veterinary expenses for domestic cats and dogs

If you occupy the home insured by this Policy as your primary residence or this Policy insures your contents in your primary residence, we pay the reasonable veterinary expenses incurred by you if your domestic cat or dog, normally kept at the site, is accidentally injured as a result of a road accident, fire, lightning or earthquake.

We will not pay:

- more than \$500 in total in any one (1) period of insurance;
 - costs or expenses resulting from the physical loss, theft or death of an animal including but not limited to postmortem, disposal, burial or cremation;
-

- routine elective or preventative veterinary treatment such as vaccinations, spaying or heartworm testing;
- for treatment of any pre-existing condition;
- for treatment of injury or illness arising from or connected with a sporting event, cat or dog show, business, occupation or commercial activity, including but not limited to guard dog services, commercial breeding, hire or renting out of the animal; or
- if the injured cat or dog was not registered and/or micro-chipped as required by any law or regulation made by any government or public authority.

12. Building materials

If this Policy insures your home, which is your primary residence, we will pay up to \$2,000 in any one period of insurance if your unfixed building materials are lost or damaged at the site due to an event covered by this Policy. Cover only applies to building materials intended to be used for repairs, alterations or additions to your home at the site. (We do not insure soil, sand, gravel, bark or mulch or any similar materials.) We do not cover any gas or electrical appliances unless they are in a locked and fully enclosed building where those items are not visible from the outside of the building.

We pay additional benefits 13 to 19 over and above the sums insured for home or contents, depending on the type of cover you have chosen.

13. Loss of rent or temporary accommodation

We pay the following benefit if your home is so damaged by an insured event that it cannot be lived in or let to tenants:

If this Policy insures your home

We pay up to 10% of the sum insured for your home for:

- (a) loss of rent or rentable value if the home is tenanted or is between tenants at the time the loss or damage occurred,
- (b) additional cost of reasonable temporary accommodation where the home is your principal place of residence.

If this Policy insures your contents

We pay up to 10% of the sum insured for your contents for:

- (a) loss of rent or rentable value if the home is a strata title residence and it is tenanted or is between tenants at the time the loss or damage occurred,
 - (b) additional cost of reasonable temporary accommodation where you are a tenant or strata title owner permanently residing in the home.
-

We do not pay for:

- (a) loss of rent if the home has been untenanted for thirty (30) consecutive days immediately before the loss,
- (b) any rent lost outside the period of untenantability,
- (c) any rent lost later than twelve (12) months after the damage occurs.

14. Automatic reinstatement of sum insured

This benefit applies to the sums insured for home and unspecified contents as shown on your Policy Schedule.

Following payment of a claim other than a claim for total loss the sums insured will be reinstated, unless:

- you request otherwise;
- we tell you otherwise.

15. Inflation adjustment

This benefit only applies to the home and contents sums insured as shown on your Policy Schedule.

During each period of insurance we increase the home and contents sums insured by 0.5 of 1% of the relevant sum insured shown on your current Policy Schedule per month until the next renewal date.

16. Compensation for death

If this Policy insures your contents in your primary residence:

- we pay to the legal representative of the deceased person up to \$10,000 in the event of death of you or a member of your family normally living with you;
- as a direct result of physical injury caused by an event at the site;

if the event that caused the death also caused damage for which we agree to pay a claim.

We do not pay in any one (1) period of insurance more than \$10,000 in total under this additional benefit.

17. Modifications to the home

If you occupy the home insured by this Policy as your primary residence, or this Policy insures your contents in your primary residence, and as a direct result of an insured event occurring at the site for which we agree to pay a claim:

- you; or
- a member of your family normally living with you

permanently become a paraplegic or quadriplegic, we pay up to \$10,000 for the cost incurred by you in modifying your home or in relocating you to a suitable home.

By the terms 'paraplegic' and 'quadriplegic', we mean paraplegia and quadriplegia that continues for a period of twelve (12) months and for which there is a prognosis made by a qualified and registered medical practitioner that it will continue for an indefinite period.

18. Legal costs

If this Policy insures your home, we pay the reasonable legal costs incurred in discharging your mortgage following settlement of a claim for total loss.

19. Environmental upgrade benefit

Applicable only when this Policy insures your home

If we agree that your home is a total loss as the result of an insured event, and we have agreed to rebuild your home, we will pay up to a maximum of \$5,000 of the cost to you, after the deduction of any rebate to which you are entitled under any government or council scheme to install any of the following;

- rain water tank,
- solar power system (solar hot water heating system or photo-voltaic electricity system),
- hot water heat exchange system,
- grey water recycling system.

A rain water tank includes the tank and necessary pump, wiring, foundations, stand, pipes and installation costs.

A solar power system includes any photo-voltaic or solar panels and necessary water tank, pump, wiring, supporting framework, inverter, electricity meter, ducting, pipes and installation costs.

A hot water heat exchange system includes the heat exchange system and necessary wiring, stand, pipes and installation costs.

A grey water recycling system includes the recycling system, wiring, pipes and installation costs.

Applicable only when this Policy insures your contents

If we agree to pay a claim for one of the following items;

- refrigerator,
- freezer,
- washing machines (but not clothes dryers),
- dishwashers,

and it is beyond economic repair, and it had an energy star rating of less than three (3) stars, then we will replace the item with an equivalent item that has an energy rating of at least three (3) stars.

If we agree to pay a claim for a clothes dryer and it is beyond economic repair, and it had an energy star rating of less than two (2) stars, then we will replace the item with an equivalent item that has an energy rating of at least two (2) stars.

Section 5: Options you can choose for additional premium

The following options may be obtained on application, and for additional premium:

1. Valuables.
2. Domestic workers' compensation.
3. Malicious damage by tenants, tenant's visitors or family.

1. Valuables

If you have selected and paid for this valuables option, we insure you and your family:

- anywhere in Australia or New Zealand; and
- for up to thirty five (35) days in any one (1) period of insurance, anywhere in the world;

against loss, theft or damage to unspecified or specified valuables items.

You can choose to insure your valuables as either:

- unspecified valuables; or
- specified valuables.

Your Policy Schedule indicates whether you have chosen this option and whether you have selected unspecified valuables or specified valuables. You can select unspecified valuables without having to specify individual items. If you select unspecified valuables, you are required to nominate a total unspecified valuables sum insured. Each individual item is then insured for a maximum of 25% of the total unspecified valuables sum insured.

If you select specified valuables, then you must specify each item you wish to insure as a specified valuable and provide valuations and/or receipts, unless we tell you that a valuation is not required.

There are some limitations below and under 'When you are not covered', which you must read.

What we insure

Unspecified valuables

Unspecified valuables are items of personal property, which means:

- jewellery;
 - gold or silver objects;
 - watches;
 - sporting equipment, except while in use or play;
 - camping equipment, back packs and sleeping bags;
 - photographic equipment including video equipment;
-

- musical equipment;
- battery operated sound equipment;
- binoculars;
- clothing;
- wheel chairs, crutches and walking sticks;
- prams or strollers;
- luggage;
- personal mobile cellular phones, portable computers;
- hearing aids, contact lenses, eye-glasses;
- other personal belongings specifically designed to be worn or carried on the person.

Specified valuables

Specified valuables, if you have chosen to insure them, are those items shown as 'Specified valuables' on the Policy Schedule.

What we do not insure

The following items are not covered under this valuables option:

- bicycles, unless you have insured them as specified valuables. Bicycles are not covered under unspecified valuables;
- vehicles (including motor cycles and motor scooters), aircraft, aerial devices, watercraft or anything associated with these items;
- property used in connection with a profession, trade or business, or otherwise for reward;
- cash, collections of any kind or collectibles, negotiables, or financial transaction cards;
- unset precious or semi-precious stones;
- items being cleaned, repaired, restored, or on exhibition away from the site.

How much we will pay for loss or damage

- (a) At our option we:
- repair the damaged item; or
 - replace the lost or damaged item with an item substantially the same as, but not better than when new;
 - pay the reasonable cost of repair or reinstatement to a condition substantially the same as, but not better than when new; or
 - pay up to the sum insured shown on your Policy Schedule against the item.
-

This means:

- if the loss or damage is to unspecified valuables, we will pay up to the total sum insured for unspecified valuables. However, for each unspecified item, we will not pay more than 25% of the sum insured for unspecified valuables on the Policy Schedule,
- for specified items, we will pay up to the sum insured shown on the Policy Schedule against the item.

If we choose to pay to replace a specified valuable item, we will pay no more than the amount that it would cost us to replace the item with an item substantially the same as, but not better than when new, even if you have specified the valuable for a higher amount, whether or not you have supplied a valuation. We have negotiated special arrangements with various suppliers to purchase items for less than retail cost. Premiums are therefore based upon us replacing items at less than retail cost.

When we pay your claim for all your valuables on the Policy being damaged beyond economic repair (or not being recovered), the valuables section of the Policy is exhausted and comes to an end.

- (b) If we agree to pay a claim where film, photos, home movies or home videos or any similar recorded material is destroyed, we pay for the replacement with new, blank film, videos or similar. (e.g. If a compact disc upon which you had photos stored is destroyed, we would replace it with a new, blank compact disc). We do not pay to reconstruct any circumstances or conditions.
 - (c) If we agree to pay a claim where software is lost, damaged or destroyed, we pay the cost to replace it with the nearest equivalent new software. We do not pay for any software that was acquired by you at no cost.
 - (d) Where an item required to settle a claim that we agree to pay is not commercially available in Australia, at our option, we:
 - replace the item with the nearest equivalent or similar new item available in Australia or overseas; or
 - pay the cost to replace the item with the nearest equivalent or similar new item available in Australia or overseas.
 - (e) Pairs and sets
 If any item lost or damaged is part of a pair or set, we pay no more than the actual value of the item. We do not give any allowance for any special value it may have as forming part of a pair or set, or for any reduction in value of the remaining part or parts.
 A 'Pair or set' means two (2) or more articles, the collective value of which exceeds the sum of their individual values.
-

2. Domestic workers' compensation

(Applicable only in States or Territories where domestic workers' compensation can be offered in conjunction with a home and contents policy.)

Your Policy Schedule indicates whether you have chosen this option.

If you employ a domestic worker, on a casual basis or otherwise, you may be required by law to provide that person with workers' compensation insurance.

If you fail to do so, and your employee is injured in the course of their employment by you, you may be liable to compensate them.

Where shown on the Policy Schedule, this Policy includes statutory domestic workers' compensation cover according to the legislation in your State or Territory, up to the amount required by your State or Territory's legislation.

When this cover is provided, the underwriter is QBE Insurance (Australia) Limited ABN 78 003 191 035.

3. Malicious damage by tenants, tenant's visitors or family

If you have selected and paid for this option it will be shown on your Policy Schedule. In return we will cover you against malicious damage to your home caused by tenants, tenant's visitors or family.

We do not pay the cost of cleaning, redecorating, painting or wall papering unless the tenant has caused actual damage to the structure of the building which makes it necessary to do so.

Any payment we make will be reduced by an amount equal to four (4) weeks rent, or \$500, whichever is the greater.

'Malicious damage by tenants, tenant's visitors or family' means a wrongful act by a tenant, tenant's visitors or family motivated by malice, vindictiveness or spite with the intention of damaging the property.

There is no cover for:

- damage occurring during or as a result of any maintenance, repairs or attempted repairs carried out by the tenant or anyone acting on their behalf;
 - damage caused by the failure of your tenant to control their children;
 - damage caused by pets belonging to your tenant;
 - accidental damage or accidental loss or any scratching, denting, chipping, rubbing or chaffing.
-

Section 6: What you must pay if you make a claim - Excess

'Excess' means the first amount you must contribute to any claim you make under this Policy.

We deduct the excess shown in the Policy or on the current Policy Schedule from the amount of your claim.

Where a sub-limit is applicable, the excess will be applied to the claim prior to applying the sub-limit. For example, if a ring worth \$2,000 was stolen from the home and it has not been specified, the \$1,500 per item jewellery sub-limit would apply. If a \$250 excess was applicable, this would be applied to the \$2,000 claim, rather than the \$1,500 sub-limit. Therefore, \$1,500 would be payable.

If the ring had been specified for \$2,000, we would pay \$1,750 - the \$2,000 claim less the \$250 excess.

If the stolen ring was worth only \$1,000, we would pay \$750 - \$1,000 less the \$250 excess.

For earthquake or tsunami claims the excess is \$250, or the excess amount shown on your Policy Schedule, whichever is greater. All loss, destruction or damage occurring within a period of 48 hours of the earthquake or tsunami is regarded as the one (1) event.

Section 7: General exclusions

This Policy excludes loss, damage, destruction, death, injury, illness, liability, cost or expense of any nature directly or indirectly caused by, contributed to by, resulting from, arising out of or in connection with any of the following, regardless of any other cause or event contributing concurrently or in any other sequence to the loss:

1. war, invasion, acts of foreign enemies, hostilities or war-like operations (whether war be declared or not), civil war, rebellion, revolution, insurrection, civil commotion assuming the proportions of or amounting to an uprising, military or usurped power, or
2. any act(s) of Terrorism that is directly or indirectly caused by, contributed to by, or in any way involves or is connected with biological, chemical, radioactive, or nuclear pollution or contamination or explosion. For the purpose of this exclusion, an act of terrorism includes any act, or preparation in respect of action, or threat of action designed to influence the Government of the day or de facto of any nation or any political division thereof, or in pursuit of political, religious, ideological or similar purposes to intimidate the public or a section of the public of any nation by any person or group(s) of persons whether acting alone or on behalf of or in connection with any organisation(s) or Government(s) of the day or de facto, and which:
 - involves violence against one (1) or more persons; or
 - involves damage to property; or
 - endangers life other than that of the person committing the action; or
 - creates a risk to health or safety of the public or a section of the public; or
 - is designed to interfere with or to disrupt an electronic system.
3. radioactivity or the use, existence or escape of any nuclear fuel, nuclear material, or nuclear waste or action of nuclear fission or fusion.

This Policy also excludes any loss, destruction, damage, death, injury, illness, liability, cost or expense of any nature directly or indirectly caused by, contributed to by, resulting from or arising out of or in connection with any action taken in controlling, preventing, suppressing, retaliating against, or responding to or in any way relating to 1, 2 or 3 above.

Sanctions limitation and exclusion clause

You're not insured under any section of this Policy where a claim payment breaches any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of Australia, the European Union, United Kingdom or United States of America.

Additional exclusions applying to this Policy

These additional exclusions apply to cover for your home, contents, legal liability, additional benefits and valuables or malicious damage by tenants, tenants visitors or family (if you have chosen these options).

(a) loss or damage intentionally caused by you or a member of your family or a person acting with your consent or the consent of any member of your family,

(b) loss or damage resulting from or caused by:

- the lawful seizure, confiscation, nationalisation or requisition of the property insured;
- destruction of or damage to property by any government or public or local authority;
- the deliberate application of heat (for example, this would include where an element under or forming part of a ceramic cook-top causes damage to the cook-top);
- inherent defects, structural defects, faulty workmanship, or faulty design;

However, we will pay for resultant loss or damage that is caused directly by an Insured event if you did not know about, or could not reasonably have known about, the defect, faulty design or faulty workmanship at the time of the loss.

Under no circumstances will we repair the inherent defect, structural defect, faulty workmanship or faulty design that caused the loss, nor any loss that is caused by the inherent defect, structural defect, faulty workmanship or faulty design that is not caused directly by an Insured event. If there is evidence that a defect previously caused damage, we will not pay any claim for further damage by an insured event arising from this defect.

For example; A previous owner had electrical wiring installed that was faulty and there was no way that you could have known about this. The faulty wiring causes fire damage. We would cover the damage caused by the fire. We would not pay to replace the faulty wiring. If you knew, or could have reasonably known that the wiring was faulty at the time of the fire, then we would not pay for loss or damage caused by the fire.

Another example; A claim is made for water damage from a leaking roof. Upon investigation, it is discovered that there is evidence that the roof had leaked numerous times before due to faulty workmanship. If you could have reasonably known of the defect or the previous leak, then no claim would be payable to repair the defect or the water damage.

- wear, tear, rust, corrosion, depreciation or gradual deterioration or any gradual process;

- fungus, mildew, mould, algae, atmospheric or climatic conditions (other than as described under insured event, (b) storm);
 - settling, shrinkage or expansion in buildings, foundations, walls or pavements;
 - the removal or weakening of supports or foundations for the purpose of alterations, additions, renovations or repair;
 - damage to swimming pools or similar structures caused by hydrostatic pressure;
 - mechanical, electrical or electronic breakdown with the exception of fusion to electric motors as described under insured event (k) (under 'Section 2: Cover for your Home and Contents - Insured events') or if a claim is payable as the result of a lightning strike under insured event (c) (under 'Section 2: Cover for your Home and Contents - Insured Events');
 - loss of or damage to electronic data caused by electronic or mechanical derangement or malfunction or by a virus, or processing error;
 - any consequential loss other than that specifically provided by this Policy;
 - any process of cleaning involving the use of chemicals;
 - rodents, vermin, birds, wildlife or insects gnawing, biting, chewing, pecking, clawing, scratching or in any way polluting or contaminating your home or contents;
for example: If a mouse was to chew through an electrical wire, which led to a fire, the damage caused directly by the fire would be covered by this Policy under insured event (a), however any damage caused by the mouse's chewing would not be covered by this Policy.
 - tree roots;
however, this exclusion applies only to damage caused directly by tree roots. For example, if tree roots damage and block a pipe, we will pay for the resultant damage to the home caused by water overflowing in the home. We will not pay for the damage to the pipe.
 - erosion, subsidence, landslide or earth movement other than as a direct result of one (1) of the following insured events (refer to items (a), (b), (d) & (h), under 'What you are insured against, and what you are not'):
 - Storm or flood,
 - earthquake or tsunami,
 - explosion,
 - escaping liquid,
 and occurring no more than twenty four (24) hours after the event
 - the action of the sea, high water, tidal wave;
-

- (c) loss or damage to:
- sporting equipment while in use or play;
 - bicycles while they are being ridden;
 - items for sale on consignment.
- (d) any loss, damage, destruction, death, injury, illness, liability, cost or expense of any nature directly or indirectly caused by, resulting from, arising out of or in connection with any contagious or communicable animal disease.
-

Section 8: Strata title mortgagee's interest

This cover applies only if you have arranged this Policy to insure only the interest of a mortgagee in a strata title unit.

This cover only applies when you own part of a building that has been subdivided into strata, community or similar title units and you have a mortgage on that part of the building.

We will pay the mortgagee the lowest of:

- (a) the sum insured shown on the Policy Schedule,
- (b) the amount to repair the damage to a condition similar to but no better than when new,
- (c) if the body corporate (or similar) partially covers the loss, then the difference between what the body corporate insurance pays and the cost of the damage, or
- (d) the amount sufficient to discharge the mortgage held by you over the unit at the date of damage.

We pay only that part of the claim that applies to the interest of the mortgagee.

We only pay a claim if:

- (a) a claim would be payable under insured events (a) to (j) of this Policy (and not subject to any exclusion or other limitation in the Policy),
- (b) the Policy of the body corporate or similar does not apply or only partially covers the loss, and
- (c) the mortgagee requires you to discharge your mortgage.

If you have arranged this Policy to insure only the interest of a mortgagee in a strata title unit:

- (a) no additional benefits are payable under this Policy,
 - (b) no legal liability cover is provided, and
 - (c) no optional covers are provided.
-

General conditions

There are conditions set out in this General conditions section, in the Claims section and under each particular cover and section. If any of these conditions aren't met, we may refuse a claim, reduce the amount we pay or in some circumstances we may cancel your Policy. When making a claim, you must have met and then continue to comply with the conditions of your Policy. Any person covered by your Policy, or claiming under it, must also comply with these conditions.

If you, or someone covered under your Policy, don't meet these conditions or make a fraudulent claim we may:

- Refuse to pay your claim or reduce what we pay for your claim
- Cancel your Policy.

Adjustment of premium on renewal

If a claim occurs in the previous period of insurance and you do not notify us until after the premium for the current period of insurance was calculated, then you must pay any additional premium that would have been calculated had you told us about the claim on the day that the claim occurred. This condition does not affect any other rights that we have, including the rights that we have under 'Your duty of disclosure'.

Assistance and co-operation

At all times when you deal with us you must:

- Provide us with all reasonable assistance we may need
- Be truthful and frank
- Not behave in a way that's abusive, dangerous, hostile, improper or threatening
- Co-operate fully with us, even after we've paid a claim.

Burglary protection

If we have agreed to insure your contents only if burglary protection devices are installed, then this will be shown on your Policy Schedule.

If any of these devices are removed, altered, or left inoperative while you are absent from the site, without our prior consent, we may have the right to:

- decline; or
- reduce;

a claim to which this action contributes.

Please see your Policy Schedule for details.

Care and maintenance

You must take reasonable care to prevent damage, injury or loss. We won't pay for damage, injury, loss or your liability to which your failure to take reasonable care is a contributing factor. At all times, you must:

- Prevent damage to property insured, as well as to others and their property
- Minimise the cost of any claim under your Policy
- Comply with all laws.

Changes to your circumstances

You must tell us as soon as possible if circumstances occur, or if changes or alterations are intended or made which increase the risk of loss, damage or injury.

Examples include:

- you are having renovations undertaken;
- the home is left vacant or unoccupied for a period exceeding sixty (60) days;
- the home falls into a state of disrepair;
- your home is opened up to the public for an exhibition or similar event (including if it is not for reward); or
- you are participating in a public exhibition (including if it is not for reward).

Unoccupancy

If your home is unoccupied for more than sixty (60) consecutive days, you must tell us and obtain our written agreement for cover to continue.

If you do not do so, the cover for home and contents is limited to lightning, thunderbolt, tsunami and earthquake for the period in excess of sixty (60) consecutive days during which the home has been left unoccupied.

The period of sixty (60) consecutive days is calculated from the date when the home was last occupied regardless of the commencement or renewal date of the Policy.

'Occupied' means that the home is furnished such that it is comfortably habitable and you, your family or someone with your consent has resided in the home overnight.

To be occupied the home must:

- contain at least one (1) usable bed/mattress;
 - contain at least one (1) dining table or bench, a chair and some other furniture;
 - contain a functioning refrigerator;
 - be connected to the electricity; and
 - be connected to hot and cold running water.
-

Other interests

You must not transfer any interests in your Policy without our written consent.

Any person whose interests you've told us about and we've noted on your Policy Schedule is bound by the terms of your Policy.

Other party's interests

You must tell us of the interest of all parties (eg financiers, lessors or owners) who'll be covered by your Policy. We'll protect their interests only if you've told us about them and we've noted them on your Policy Schedule.

Strata title mortgagee's interest

This cover applies only if you have arranged this Policy to insure only the interest of a mortgagee in a strata title unit.

This cover only applies when you own part of a building that has been subdivided into strata, community or similar title units and you have a mortgage on that part of the building.

We will pay the mortgagee the lowest of:

- (a) the sum insured shown on the Policy Schedule,
- (b) the amount to repair the damage to a condition similar to but no better than when new,
- (c) if the body corporate (or similar) partially covers the loss, then the difference between what the body corporate insurance pays and the cost of the damage, or
- (d) the amount sufficient to discharge the mortgage held by you over the unit at the date of damage.

We pay only that part of the claim that applies to the interest of the mortgagee.

We only pay a claim if:

- (a) a claim would be payable under insured events (a) to (j) of this Policy (and not subject to any exclusion or other limitation in the Policy),
- (b) the Policy of the body corporate or similar does not apply or only partially covers the loss, and
- (c) the mortgagee requires you to discharge your mortgage.

If you have arranged this Policy to insure only the interest of a mortgagee in a strata title unit:

- (a) no additional benefits are payable under this Policy,
 - (b) no legal liability cover is provided, and
 - (c) no optional covers are provided.
-

Claims

This section describes what you must do, as well as conditions that apply when you make a claim and at the time loss or damage occurs which is likely to give rise to a claim

What you must do

If an event happens which may give rise to a claim you must:

- take all reasonable precautions to prevent further loss, damage or liability;
- notify the Police immediately if any of your property is lost, stolen, or maliciously or intentionally damaged;
- tell us or your financial services provider as soon as possible. You will be provided with a claim form and advice on the procedure to follow;
- supply us with all information we require to settle or defend the claim;
- notify us of any other insurance covering the same loss, damage or liability;
- co-operate with us fully in any action we take if we have a right to recover any money payable under this Policy from any other person;

In an emergency outside normal business hours you may ring our emergency service on 1800 023 387 for assistance.

If in doubt at any time, ring us or your financial services provider for advice.

What you must not do

You must not:

- authorise repairs to or arrange replacement of any of the property insured in connection with any claim without our consent, other than emergency repairs necessary to prevent further loss. If we agree to pay your claim, we will pay for these repairs, but you must retain all receipts;
- admit liability if an accident occurs which is likely to result in someone claiming against you.

What we do

We may take over and conduct the defence or settlement of any claim or issue legal proceedings for damages. If we do this we will do it in your name. We have full discretion in the conduct of any legal proceedings and in the settlement of any claim. You must co-operate by giving us any statements, documents or assistance we require. This may include giving evidence in any legal proceedings.

If, after we have assessed your claim, you are required to enter into a contract with a third party to replace or reinstate lost or damaged items that we have agreed to pay under this Policy, you will enter into that agreement with the third party as our agent unless advised otherwise.

Lifetime guarantee on home repairs

We guarantee that if we have:

- selected and directly authorised or arranged for a repairer to replace, repair or rebuild your home, and
- paid, or have a legal liability to pay, the supplier, repairer or builder directly for this work, and
- a defect arises in the lifetime of your home as a result of poor quality workmanship or use of incorrect or poor quality materials,

we will rectify the problem by arranging, directly authorising and paying for further replacement, repair or rebuilding.

We will also handle any complaint about the quality or timeliness of the work or conduct of the repairer as part of our complaints handling process.

This guarantee does not apply to:

- home replacement, repairs or rebuilding that you arrange, authorise or make yourself (even if we give you the name of a possible supplier, repairer or builder who is involved with the repair), or
- home replacement, repairs or rebuilding that you arrange, authorise or make yourself (even if we give you or a supplier, repairer or builder a cheque for all or part of the repair cost), or
- loss, damage or failure of any electrical or mechanical appliances or machines that form part of your home, or
- wear and tear consistent with normal gradual deterioration of your home (e.g. paint peeling off as part of its normal life cycle, wood rotting or mould from moisture in the air or ground, roofs weathering or a hot water system leaking as a result of normal gradual deterioration).

What can affect a claim

We will reduce the amount of a claim by the excess shown in the Policy terms and conditions or on the Policy Schedule.

We may refuse to pay a claim if you are in breach of your duty of disclosure or any of the conditions of this Policy, including any endorsements noted on or attached to the Policy Schedule.

We pay only once for loss or damage from the same event covered by this Policy even if it is covered under more than one (1) section of the Policy.

We may be entitled to refuse to pay or to reduce the amount of a claim if:

- it is in any way fraudulent; or
- any fraudulent means or devices are used by you or anyone acting on your behalf to obtain any benefits under this Policy.

Contribution

If at the time of any loss, damage or liability there's any other insurance (whether effected by you or by any other person) which covers the same loss, damage or liability you must provide us with any reasonable assistance we require to make a claim for contribution from any other insurer(s).

GST

If you're a business you must tell us if you're registered, or are required to be registered, for GST. When you do this, we need you to give us:

- Your ABN
- The percentage of any input tax credit you will claim, or will be entitled to claim, on your premium.

When we pay a claim, your GST status will determine the amount we pay you. Your claim settlement amount will be adjusted to allow for any ITC entitlement.

Unless we say otherwise, all amounts in your Policy are inclusive of GST. There may be other taxation implications affecting you, depending upon your own circumstances. We recommend you seek professional advice.

Other insurance

You must notify us of any other insurance which will or may, whether in whole or in part, cover any loss insured under your Policy.

Preventing our right of recovery

If you've agreed not to seek compensation from any person liable to compensate you for loss, damage or liability covered by your Policy, we won't cover you for that loss, damage or liability.

Providing proof

You must be able to prove to us you've suffered a loss covered by your Policy before we'll pay you for it. We may ask you for this proof if you make a claim under your Policy. So your claim can be assessed quickly, make sure you keep the following:

- receipts or other confirmation of purchase;
- valuations; and
- photographs of items in the home.

Salvage

We're entitled to obtain and retain any items or materials salvaged or recovered after you make, and we agree, to pay a claim by replacing or paying to replace any items or materials. We may sell the items or materials and keep the proceeds. We may choose to sell the items or materials to you, provided you agree to pay market price .

Subrogation, recovery action & uninsured loss

We may at any time, at our expense and in your name, use all legal means available to you of securing reimbursement for loss or damage arising under your Policy. In the event we do so, you agree to give all reasonable assistance for that purpose.

If you've suffered loss that wasn't covered by your Policy as a result of the incident, we may offer to attempt to recover this. You may also specifically ask us to recover this for you. You'll need to give us documents supporting your loss. Before we include any uninsured loss in the recovery action we'll also ask you to agree to the basis on which we'll handle your recovery action. You may need to contribute to legal costs in some circumstances.

Other terms

These other terms apply to how your Policy operates.

Cancelling your Policy

You can cancel your Policy at any time by telling us. If there are other people named as insured on your Policy, we only need a request to cancel it from one of you.

We may cancel your Policy in any of the circumstances permitted by law (eg failure to pay the premium by the due date) by informing you in writing.

We'll give you notice in person or send it to your address (including an electronic address) last known to us.

If you've paid your premium in advance, we'll refund you the proportion of the premium for the remaining period of insurance, less any administration fees.

Changing your Policy

Changes to this Policy only become effective when we agree to them and send you a new Policy Schedule detailing the change.

Joint and co-insureds

If more than one person is insured under your Policy, we'll treat a statement, act, omission, claim, request or direction by that person as having been made by all insured.

We only need a request from one person insured to cancel or change your Policy.

Notices

Any notice we give you will be in writing, and will be effective once it's delivered to you personally or to your last known address (including when it's an electronic one).

It's important for you to tell us of any change of address as soon as possible.
