

QBE's transport operators policy

Why haul three policies... when you only need one.

The all - in - one policy that keeps your clients on the road, ensuring their assets and liabilities are protected.

In another market first, QBE's new Transport Operators Policy combines Commercial Motor Vehicle, Marine Carriers and Liability insurance for businesses using goods carrying vehicles into one comprehensive policy, able to be processed electronically via Sunrise Exchange and c.ch@nge.

- Exclusive cover for penalties resulting from Chain of Responsibility breaches
- Easy to use electronic capability
- Industry respected claims service and risk management capabilities
- A combined policy eliminating the need for three separate policies
- Innovative premium structures including pay-by-the-month

Cover for road transport operators

As a specialist commercial motor, marine and liability insurer, QBE can provide insurance protection for a wide range of transport operators including general cargo, heavy machinery and car carriers. The Transport Operators Policy is ideally suited for owner drivers and small to medium sized businesses including transport and logistic companies, sand and soil carriers, mineral carriers and landscape suppliers.

Direct accessibility

The Transport Operators Policy can be underwritten quickly and simply through Sunrise Exchange / c.ch@nge for up to 10 vehicles, allowing you to place cover and respond to customer needs efficiently.

Features at a glance

- Providing extensive risk and liability capacity and cover
- Marine Carriers automatically covers Accidental Damage and legal defence costs
- The combined policy eliminates the need to purchase up to three different marine policies to cover various contractual situations
- Access to local specialists and decision makers for quick responses
- Instalment billing using QBE's exclusive system
