INTRODUCTION

This booklet is a Product Disclosure Statement (PDS) and is also the Policy Wording. Other documents may comprise the PDS and we will tell you if this is the case in the relevant document.

This booklet has important information to help you understand the insurance and the Policy Wording, which sets out terms and condition of the cover provided. It is up to you to choose the cover you need. Any advice in this booklet is general in nature only and has not considered your objectives, financial situation or needs. You should carefully consider the information provided having regard to your personal circumstances to decide if it is right for you.

Information in this PDS might change. If the change is adverse then we'll issue a supplementary PDS or a new PDS at renewal. You can get an up-to-date paper copy of all updates (whether adverse or not adverse) at no charge by us, simply by calling us.

Please take the time to read through this booklet and if you have any questions or need more information, please contact your financial services provider.

WHAT MAKES UP THE POLICY

The Policy is made up of:

- this PDS and
- Policy Wording booklet;
- the Policy application and declarations made to us at the time you take out, vary, extend, renew or reinstate the Policy
- the Policy Schedule we issue to you; and
- any endorsement attached to and forming part of your Policy with us.

It is important that you read all Policy documents including the Policy Wording and satisfy yourself that the insurance meets your needs.

FEATURES OF THIS POLICY

This Policy provides cover for loss or damage to your vehicle caused by or arising from an event and certain related additional benefits (see Section 1 of the Policy) and cover for your liability to third parties resulting from an event caused by, or arising out of the use of your vehicle and certain related additional benefits (see Section 2 of the Policy). Additional benefits applicable to all sections, such as the automatic addition of newly acquired vehicles, are set out in Section 3 of the Policy.

HOW MUCH WE INSURE YOU FOR

The sum insured for your vehicle under Section 1 will be shown in the Policy Schedule and calculated in accordance with Section 4 subject to the following provisions:

If the sum insured you select for your vehicle is, at the time of any loss or damage, less than 80% of your vehicle's market value, then the settlement you receive under Section 1 – Loss or damage to your vehicle, will be limited to the proportion that your vehicle's sum insured bears to 80% of its market value.

Example

Sum insured: \$200,000 Market value: \$300,000

80% of market value: \$240,000

Claim amount: \$50,000

\$200,000 (sum insured)

\$240,000 (80% of market value) x \$50,000 (Claim)

= \$41,667 (claim settlement)

Any excess(es) shown in the Policy Schedule shall be applied to the claim after the calculation of the Under Insurance Provision.

You will be responsible for the portion of the claim that we do not pay in addition to the excess that applies.

Where your vehicle is a total loss or a constructive total loss we will pay your vehicle's sum insured or market value, whichever is the lesser.

The amount of cover for third party liability is set out in Section 4 and in the Policy Schedule.

POLICY EXCESS

You will have to contribute a sum of money which is called an excess to the amount of any claim under this Policy. The applicable excess is shown in the Policy Schedule. Additional excesses are specified in Section 6 of the Policy.

EXCLUSIONS

The Policy will not provide insurance cover in certain circumstances. Section 5 of the Policy contains the exclusions applicable to this Policy.

CONDITIONS

There are things that you must do. If you do not do them, we may be able to reduce or avoid our liability under the Policy. These conditions are set out in Section 6 of the Policy. For example, you must notify us with full details as soon as possible after any event which may become the subject of a claim under this Policy.

GENERAL TERMS

There are some general terms that apply to all of the insuring clauses. These are set out in Section 7 of the Policy Wording. An example of a general term is your right of Policy cancellation.

HOW MUCH WILL THE POLICY COST

The amount you have to pay for the Policy is made up of the base premium and government taxes and charges. The base premium will vary depending on a number of factors which includes the type and usage of the vehicle, the location of the vehicle, the age, skills and experience of the **Driver** and your claims history.

COOLING OFF PERIOD

If you change your mind about your Policy and haven't made a claim, you can cancel it within 21 days of the start or renewal date and we'll give you a full refund. If you cancel your Policy in these circumstances, you will have no cover under the Policy.

You can also cancel your Policy outside the cooling off period, see 'Cancellation'.

When an event is covered under this section, we will pay, included in the limit of liability, all legal costs and expenses incurred by you in settlement or defence of claims for compensation arising out of that event. You will need to speak to us before you incur these costs.

Provided that if the limit of liability shown in the Policy Schedule is less than the total paid, or payable, to settle or dispose of all claims that arise out of the one event, then we will only pay a proportion of the legal costs and expenses. Our proportion will be that proportion that the limit of liability represents to the total amount paid, or payable, to settle or dispose of all claims that arise out of the one event.

- (i) general average principles apply under maritime law; and
- (ii) the ship is sailing between places within the Commonwealth of Australia.

6. Cross liability

Where you are comprised of more than one legal entity, the word 'You' shall be considered as applying to each entity as if that entity were the only entity named as you. We waive all rights of subrogation or action which we may have acquired against any such entities. The limits of liability stated elsewhere in this Policy are not affected or increased as a consequence of this condition.

SECTION 3 - ADDITIONAL BENEFITS APPLICABLE TO ALL SECTIONS

The following additional benefits apply to all sections of this Policy.

It is a condition of this additional benefit that it shall not override any other terms, conditions or exclusions of the policy.

3. Police, Fire Brigade and other authorities

This Policy extends to cover you up to a limit of \$10,000 per event for all costs levied by the following authorities and as a result of an event involving your vehicle:

- (a) Police
- (b) Fire brigade

This additional benefit will not cover any clean-up and removal costs levied by any authority if we have already agreed to pay you the clean-up and removal costs under additional benefit Section 2 - Removal of debris – Load.

4. Waiver of recourse – Public authorities

We agree to waive any subrogation rights, remedies or relief that we may ordinarily be entitled to rely upon in the case of municipal, government, or similar statutory authorities where you have waived those rights in your contract with such parties.

- (b) If your vehicle becomes a total loss or a constructive total loss within twenty four (24) months of the inception date of its original registration, we agree to replace your vehicle with a new vehicle (excluding on road costs which include Stamp Duty, Dealer delivery costs, Registrations costs, CTP Insurance and other insurance costs), where an equal model is available. For the purposes of this section we will only pay up to your vehicle's sum insured stated in the Policy Schedule.
- (c) If you choose not to replace your vehicle or if replacement with an equal model is not possible then settlement will be either your vehicle's market value at the time of loss or damage or its sum insured stated in the Policy Schedule, whichever is the lesser.
- (d) When we make a total loss or a constructive total loss settlement, the cover provided in this Policy for your vehicle immediately stops.

If it is necessary to repair your vehicle to a better condition than it was in before the loss or damage, then we may ask you to contribute the additional amount to repair it to the better condition. If this may be necessary, we will talk to you beforehand about how you would like to proceed.

Notwithstanding anything mentioned in paragraph a), b) and c) above, the maximum amount we will be liable to pay for any claim or series of claims for loss or damage to your vehicle under Section 1 of this Policy that is caused by or arises out of one event shall be \$10,000,000 in the aggregate.

UNDER INSURANCE (AVERAGE PROVISION) - SECTION 1

If the sum insured you select for your vehicle is, at the time of any loss or damage, less than 80% of your vehicle's market value, then the settlement you receive under Section 1 – Cover for loss or damage to your vehicle will be limited to the proportion that your vehicle's sum insured bears to 80% of its market value.

Example

Sum insured: \$200,000 Market value: \$300,000

80% of market value: \$240,000

Claim amount: \$50,000

\$200,000 (sum insured)

\$240,000 (80% of market value) x \$50,000 (Claim)

= \$41,667 (claim settlement)

Any excess/(es) shown in the Policy Schedule shall be applied to the claim after the calculation of the Under Insurance Provision.

You will be responsible for the portion of the claim that we do not pay in addition to the excess that applies.

Where your vehicle is a total loss or a constructive total loss we will pay your vehicle's sum insured or market value, whichever is the lesser.

LIMIT OF LIABILITY - SECTION 2

Our total liability under this Section 2 is the amount shown as the limit of liability in the Policy Schedule, for all claims arising from the one event or series of events resulting from the one original cause.

LIMIT OF LIABILITY - SECTION 2 FOR HAZARDOUS OR DANGEROUS GOODS

If your vehicle is being used for, or is attached to, or is towing a vehicle used for the transport of Hazardous or dangerous goods, unless otherwise shown in the Policy Schedule, our total liability under Section 2 is limited to \$1,000,000. - (d) If you choose to purchase your unrepaired vehicle(s), the salvage value of the unrepaired vehicle will be determined based on an assessment of the damage to the vehicle and the market value of salvageable parts. We will either deduct this amount from your settlement amount, or you will need to pay the salvage value to us.

Any additional benefits covered by this policy will cease upon settlement of your claim.

CONTRIBUTION AND OTHER INSURANCE

When making a claim, you must notify us of any other insurance that you're aware will or may, whether in whole or in part, cover any loss insured under your Policy.

If at the time of any loss, damage or liability there's any other insurance (whether issued to you or to any other person) which covers the same loss, damage or liability you must provide us with any reasonable assistance we require to make a claim for contribution from any other insurer(s).

REASONABLE CARE

You and any person acting on your behalf must exercise care and take reasonable precautions to prevent loss damage, liability or events occurring from the use of your vehicle, and to comply with all statutory obligations and by-laws or regulations imposed by any public authority, for the safety of your vehicle and for the carriage of goods and merchandise.

CHANGE OF RISK

You must tell us as soon as possible if any of the information on your Policy Schedule is incorrect or has changed. For example, you must tell us if:

- there is any change to the use of your vehicle(s), or
- you have a change of address, including any changes to where your vehicle(s) are stored, or
- your contact details like email, phone number or mailing address change, or
- you want to change the cover options selected, or
- there is any other change to the details listed in your Policy Schedule.

If you don't tell us, we may reduce or refuse to pay a claim.

When you tell us about a change or request a change to your Policy, we will assess the change to the risk in accordance with our underwriting rules and processes. If you request any change to cover (for example, you choose to add a cover option) and we agree to the change, we will issue a new Policy Schedule and ask you for any additional premium.

If an additional premium is required, the change to your cover will only become effective when:

- if you're paying in instalments by direct debit, any remaining instalments have been adjusted to reflect the additional premium, or
- you have paid the additional premium by the due date we give to you. If you don't pay the additional premium by the due date then we will make reasonable efforts to contact you using the most recent contact details you provided to us. If we don't receive payment of the additional premium owed, the change will not be effective and we will confirm this by issuing a replacement Certificate of Insurance. If you request any change to cover and we don't agree to the change, then we will let you know and the Policy will continue unchanged.

If you tell us about a change in your vehicle or its value then we will consider it under our underwriting rules and processes, and depending on the underwriting assessment:

- if we do not agree to the change then we will cancel your Policy and refund the unused portion of the premium.
- if we agree to the change, we will issue a new Certificate of Insurance and ask you for any additional premium, inform you of any change in terms, and any additional applicable excess(es). If an additional premium is required, the change will only be effective when:
 - if you're paying in instalments by direct debit, any remaining instalments have been adjusted to reflect the additional premium; or
 - you have paid the additional premium by the due date we give to you.

If you don't pay the additional premium by the due date then we will make reasonable efforts to contact you using the latest contact details you provided us. If we don't receive payment of the additional premium owed, then we will cancel your Policy. We will use the latest contact details you provided us to notify you of the cancellation date, which will depend on factors including:

- if we do not agree to the change then we will cancel your Policy and refund the unused portion of the premium,
- the premium you have already paid on your Policy; and
- the remaining period of insurance.

You will not receive a refund as we will use the premium you have already paid to delay the cancellation date by as long as possible. If you pay the additional premium after we notify you but before the cancellation date, then we will no longer need to cancel your Policy.

SECTION 7 - GENERAL TERMS LAW AND JURISDICTION

4. After cancellation by us, you will be entitled to a refund on a pro rata basis in relation to the unexpired period of insurance.
 - If we have paid a claim for total loss or a constructive total loss no refund of premium will be given as you have received the benefits associated with a total loss claim under the Policy.

Taxation Implications

When we pay a claim, your GST status will determine the amount we pay you. Your claim settlement amount will be adjusted to allow for any ITC entitlement.

Unless we say otherwise, all amounts in your Policy are inclusive of GST. There may be other taxation implications affecting you, depending upon your own circumstances. We recommend you seek professional advice.

SECTION 8 - ENDORSEMENTS

The following endorsements only apply if they are shown in your Policy Schedule.

AGGREGATE EXCESS

The aggregate excess is shown in your Policy Schedule and represents the amount which you must first bear in respect of all claims arising from events which occur during the period of insurance. Any Policy excess, age excess, tipping trailer excess or any other excess that appears in the Policy Schedule will first be applied to each claim made under the Policy. After the applicable Policy excess, age excess, tipping trailer excess or any other excess is applied to each claim made under the Policy, any remaining amount under any claim will be applied to erode the aggregate excess if approved by us.

Once the aggregate excess for the Policy has been fully eroded, any further claims will be paid by us subject to any applicable Policy excess, age excess, tipping trailer excess or any other applicable excess and subject to the terms and conditions of the Policy.

Any assessment costs incurred during the period of insurance are to be paid by you until such time as the aggregate excess has been fully eroded.

If the fleet size or values vary during the period of insurance then the aggregate excess will be adjusted proportionately.

CLAIMS EXPERIENCE DISCOUNT

Final premium paid means premium paid for the period of insurance After adjustment due to changes in fleet size or to a total asset value.

Incurred claims means losses paid during the period of insurance plus reserves for outstanding losses.

The refund is subject to all losses occurring during the period of Insurance having been notified by you to us.
