Our commitment

In an uncertain world, it's good to know there's someone committed to protecting you. In this booklet you'll find our commitment described in detail. By taking the time to read these pages you'll know exactly what you're covered for, what you can expect from us and what we expect of you.

You'll also learn what to do if you need to make a claim, so we promise it'll be time well spent.

About this booklet

There are two parts to this booklet. The first part is Important Information about this Policy including information about how we'll protect your privacy and how to make a complaint or access our dispute resolution service.

The second part is your Policy Wording which sets out the detailed terms, conditions and exclusions of the Policy.

Because we don't know your own personal circumstances, you should treat any advice in this booklet as purely general in nature. It doesn't consider your objectives, financial situation or needs. You should carefully consider the information provided with regard to your personal circumstances to decide if it's right for you.

This booklet is also a Product Disclosure Statement (PDS). Other documents you receive may comprise the PDS. You'll know when this happens because it'll say so in the document.

We may need to update information in this PDS. If we need to do this, we'll either send you a new PDS or a supplementary PDS. You can also get a copy of these simply by calling us.

Navigating this booklet

To help you navigate this booklet and get you to key parts of your Policy faster, we've broken the Policy Wording down into key sections and created corresponding tabs.

For more information or to make a claim

Please take the time to read through this booklet. Call us on 133 723 if you need more information, would like to confirm a transaction or to make a claim.

The claims section at the end of this booklet sets out the full details of what you need to do in the event of a claim.

Something not right?

We know sometimes there might be something you're not totally happy about, whether it be about our staff, representatives, products, services or how we've handled your personal information.

Step 1 - Talk to us

If there's something you'd like to talk to us about, or if you'd like to make a complaint, speak to one of our staff. When you make your complaint please provide as much information as possible. They're ready to help resolve your issue.

You can also contact our Customer Care Unit directly to make your complaint. Our aim is to resolve all complaints within 15 business days.

Step 2 - Escalate your complaint

If we haven't responded to your complaint within 15 days, or if you're not happy with how we've tried to resolve it, you can ask for your complaint to be escalated for an Internal Dispute Resolution (IDR) review by a Dispute Resolution Specialist.

The Dispute Resolution Specialist will provide QBE's final decision within 15 business days of your complaint being escalated, unless they've requested and you've agreed to give us more time.

Step 3 - Still not resolved?

If you're not happy with the final decision, or if we've taken more than 45 days to respond to you from the date you first made your complaint, you can contact the Financial Ombudsman Service Australia (FOS Australia). FOS Australia is an ASIC approved external dispute resolution body.

Disputes not covered by the FOS Australia Terms of Reference

If your dispute doesn't fall within the FOS Australia Terms of Reference, and you're not satisfied with our decision then you may wish to seek independent legal advice.

Policy Wording

This Policy is underwritten by QBE Insurance (Australia) Limited ABN 78 003 191 035 AFSL 239545.

Our agreement

Your Policy is an agreement between you and us for the period of insurance. It's made up of:

- This Policy Wording
- Your Policy Schedule, which sets out the cover you've chosen and any terms specific to your Policy.

'Paying your premium' sets out what you have to pay us for cover under this Policy.

The 'Cover' section sets out the covers under this Policy.

The 'Exclusions & conditions' section sets out:

- Your responsibilities once you've taken out this Policy, and
- What isn't covered.

The 'Claims' section sets out:

- Your responsibilities, including what to do and what not to do, after incidents and when you make claims, and
- How we settle claims and our rights after you make them.

How much we'll pay

How much we'll pay for a claim is set out under each cover or on your Policy Schedule. You have to pay any excess which applies to the claim.

The cover you chose

When you take out this Policy you must:

- Choose one of the three types of cover we offer:
 - Comprehensive
 - Third party, fire and theft
 - Third party only, and
- Tell us how you intend to use your vehicle.

Your Policy Schedule will show the cover you've chosen, your sum insured, how you told us you'll use your vehicle, plus any optional benefits you've selected. Where your Policy covers more than one vehicle, these details will be shown for each vehicle on the Policy Schedule.

Legal liability cover is automatically included.

How you use your vehicle

The table below describes the three uses for your vehicle you must choose from.

If you use your vehicle for any other purpose than the one you've told us about, you won't be insured while you're using your vehicle for that other use.

Use	When you use your vehicle for:
Private	<ul style="list-style-type: none"> • Social, domestic, pleasure purposes and travel to and from work • A small amount of time is spent using your vehicle for business or work purposes • Ridesharing, but only part time.
Business	<ul style="list-style-type: none"> • Private use as described above, plus • The majority of normal working hours are spent using your vehicle for business or work purposes.
Commercial	<ul style="list-style-type: none"> • Private use as described above, plus • A business: <ul style="list-style-type: none"> ◦ Where your vehicle is licensed for the carriage of goods, or ◦ As a primary producer.

Paying your premium

Your premium and the date it's due are shown on your Policy Schedule.

Annual premium

If you pay your premium annually, and it's not paid by the due date or if your payment is dishonoured, this Policy won't operate and there'll be no cover.

Instalment payments

If you pay your premium by instalment, your Policy Schedule will show the date and frequency of your instalments. If your direct debit details change you must tell us no later than seven days before your next instalment is due.

At renewal

If you pay by instalments, and renew your Policy, we'll continue to deduct instalments for a renewed Policy at the new premium level according to the same instalment pattern, unless you tell us to stop your direct debit.

What happens if you miss an instalment

If you miss an instalment we'll contact you to ask you to pay it or arrange to collect it from you. If you don't pay the missed instalment your Policy may be cancelled and we'll write to you to let you know when this will happen.

If you don't pay the missed instalment and a claim arises, then we may refuse to pay your claim.

If your payment details change

If your direct debit details change, such as you changing credit cards or bank accounts, you must tell us at least seven days before your next payment date.

Adjustment of premium on renewal

If we agree to renew your Policy and you claim for an incident that happened during a previous period of insurance, you must tell us about it. You agree to pay us any additional premium increase we'd have required you to pay if you'd told us about the claim before your Policy was renewed.

This condition doesn't affect any other rights we have at law or under this Policy.

If any of these conditions aren't met, we may refuse a claim, reduce the amount we pay or in some circumstances we may cancel your Policy. When making a claim, you must have met and then continue to comply with the conditions of your Policy. Any person covered by your Policy, or claiming under it, must also comply with these conditions.

If you, or someone covered under your Policy, don't meet these conditions or make a fraudulent claim we may:

At all times when you deal with us you must:

- Prevent damage to property insured, as well as to others and their property
- Minimise the cost of any claim under your Policy
- Comply with all laws.

Changes to your circumstances

You must tell us as soon as possible if circumstances occur, or if changes or alterations are intended or made which increase the risk of loss, damage or injury.

Examples include:

- Changing the ownership of your vehicle
- Storing your vehicle at a different address
- Other drivers regularly using your vehicle,

- Modifying your vehicle.

Any of these changes may result in:

You must not transfer any interests in your Policy without our written consent.

Any person whose interests you've told us about and we've noted on your Policy Schedule is bound by the terms of your Policy.

These other terms apply to how your Policy operates.

Cancelling your Policy

You can cancel your Policy at any time by telling us. If there are other people named as insured on your Policy, we only need a request to cancel it from one of you.

We may cancel your Policy in any of the circumstances permitted by law (eg failure to pay the premium by the due date) by informing you in writing.

We'll give you notice in person or send it to your address (including an electronic address) last known to us.

Changes to this Policy only become effective when we agree to them and send you a new Policy Schedule detailing the change.

It's important for you to tell us of any change of address as soon as possible.

“Here's what to do if you want to claim on your policy.”

Claims

This section describes what you must do, as well as conditions that apply when you make a claim and at the time loss or damage occurs which is likely to give rise to a claim.

This section includes:

- 'Repairing your vehicle' - terms which apply when we decide to repair your vehicle
- 'Write-offs' - describing what happens if we decide your vehicle is a write-off
- 'Excesses' - what you pay us when you make a claim, and
- 'Claims conditions' - which are your responsibilities and our rights after you've made a claim.

What to do and what not to do after an incident

What to do after an incident

Prevent further loss or damage

Inform the Police if something was stolen or vandalised, or if you're required by law to do so

Take details of other people involved in an incident or any witnesses to it

Call us as soon as possible

Complete a claim form if we require it

Provide information in support of your claim, including letters or notices given to you by another party

Pay your excess

What not to do after an incident

Admit guilt or fault except in a Court or to the Police

Offer or negotiate to pay a claim or make repairs

Admit liability

Dispose of damaged items unless we've said you can

Authorise repairs except for essential temporary repairs

Delay telling us about an incident as it may reduce the amount we pay for your claim

Give us false or misleading information

How a claim affects your sum insured

If we pay a claim:

- On a write off basis (also known as a total loss), your cover for that vehicle with us ends (see page 56)
- For the cost of repairs to your vehicle, your sum insured remains the same as it was before the claim.

For example, if your sum insured is \$20,000 and we pay a claim for \$3,000, your sum insured remains at \$20,000.

No claim bonus

If you don't claim on your Policy, we reward you with a no claim bonus. Your no claim bonus discount increases each year you don't claim until you reach our highest rating. It's also reviewed when you renew your Policy, based on any claims you've made during the period of insurance. You can either:

- Receive a higher rating (up to our highest rating)
- Receive a lower rating
- Stay at the same rating.

Your no claim bonus won't be affected if we agree someone else was at fault and you give us with their name, current residential address and vehicle registration. If someone else wasn't at fault, your no claim bonus will be affected and it may be reduced when you renew your Policy.

Repairing your vehicle

Choice of repairer

If you lodge a claim and we agree to repair your vehicle, we can refer you to a QBE accredited repairer or you can choose your own. You have to ask us before getting your vehicle repaired.

Where we recommend our accredited repairer, we'll:

- Give you the names of two repairers to get quotes from
- Need to inspect your vehicle before authorising repairs
- Pay the cost of repairs directly to the repairer we authorise.

If there's a QBE assessment centre near you, we'll explain how get your car assessed there.

Where you nominate a repairer, you must:

- Get a quote from an appropriately licensed repairer of your choice, however if you do we may need you to get a second quote from a repairer of our choice
- Allow us to assess your vehicle before authorising repairs

Paying repair costs

We'll pay reasonable costs to have your vehicle repaired. In deciding reasonable costs we consider a number of factors, including:

- The advice of an experienced motor vehicle assessor we've appointed
- A quote from another repairer of our choice
- Any adjustment allowing for method of repair.

We'll pay the repairer directly.

Authorising repairs without asking us first

If you authorise repairs without asking us first, we won't:

- Provide our lifetime guarantee on repairs (see page 29), or
- Where permitted by law, pay more than what we think is reasonable.

Replacing damaged parts

Within Manufacturer's Standard New Car Warranty period

If your vehicle's covered under the Manufacturer's Standard New Car Warranty (not including an extended warranty period), we'll only use manufacturer's approved parts in repairing your vehicle. If the part is a windscreen or a body glass then we may use non manufacturer parts but only if they're compliant with Australian Design Rules.

Outside Manufacturer's Standard New Car Warranty

We may use new, recycled or reconditioned parts when repairing vehicles no longer covered under the Manufacturer's Standard New Car Warranty. Where the use of recycled or reconditioned parts is requested, we'll only use the parts if they're equal to or exceed the quality of the part being replaced.

You may have to contribute towards the cost of repairs

In circumstances where the condition or appearance of your vehicle improves as a result of replacing old with new parts, or repainting more than the damaged area, we may need you to contribute towards the cost of repairs

If parts and accessories are unavailable

Where parts and accessories aren't available locally, we'll only pay:

- The cost of parts and accessories of an equivalent make and model vehicle listed in the latest suppliers' list within the State or Territory where repairs are being carried out
- Surface freight costs of getting parts to the repairer.

We won't pay the extra cost of specially-made parts for your vehicle if standard parts aren't available.

Write-offs

If we declare your vehicle a write off (otherwise known as a 'total loss'), and agree to pay your claim, cover for that vehicle will come to an end.

Your premium after a write off

If you've paid your Policy in full there's no refund of premium as we've fulfilled our contract to you.

If you pay your Policy in instalments, we'll deduct the amount of any unpaid instalment up until your Policy renewal date from any claim payment we make to you, or will require you to pay this amount before settling your claim. If you've other vehicles insured on the Policy, then your regular instalments will be reduced up until your Policy renewal date to reflect the change in cover.

If you purchase another vehicle or we provide a replacement vehicle, new insurance cover is required. This may be a new policy, or it may mean adding the new vehicle onto your existing Policy.

Security interests

If a security interest is registered over your vehicle, we'll:

- Pay the financier the sum insured, up to the amount required to discharge your loan or finance agreement
- If applicable, pay you the remaining balance of the sum insured, or
- Replace your vehicle where you've obtained the agreement of your financier.

If no security interest is registered over your vehicle, we'll:

- Pay you the sum insured
- Replace your vehicle, if a similar make and model is available, provided:
 - You're the original owner and have insured your vehicle with us from new,
 - Your vehicle is less than two years old and has been driven less than 20,000kms

If you've paid for the four year new car replacement optional benefit we'll replace your vehicle according to the conditions on page 34.

Discharging a security interest

You must take our required steps to remove any security interest in your vehicle after your loan or finance agreement has been discharged.

Excesses

An excess is an amount you have to pay whenever you make a claim.

The number of excesses and the amounts you pay are shown on your Policy Schedule. If more than one excess applies, you'll have to pay the total of all the excesses. If we find your claim involves more than one incident, you'll have to pay the applicable excesses for each incident.

Excess type	When it applies
A vehicle excess	<p>This excess is the first amount you have to pay.</p> <p>All vehicles carry a standard excess, and you may also choose to reduce your premium by taking a voluntary excess. The sum of these will be shown on your Policy Schedule as the total vehicle excess.</p>
An age excess	<p>This excess applies if the driver at the time of the incident is within the specified age group on your Policy Schedule.</p> <p>This excess doesn't apply when:</p> <ul style="list-style-type: none"> • The only damage to your vehicle is to the windscreen or window glass • The incident is a result of fire, explosion, lightning, flood, theft or where your vehicle is damaged while parked.
An inexperienced driver excess	<p>This excess applies if the driver at the time of the incident is within the specified age group on your Policy Schedule and has held their full Australian driving licence for less than two years.</p>
An unlisted driver excess	<p>This excess applies when your Policy Schedule includes listed drivers and your vehicle's being driven by a person who's not listed.</p>
An imposed excess	<p>This is an excess we may require in order to cover your vehicle. If an imposed excess has been applied it'll be shown on the Policy Schedule for that vehicle.</p>
A named driver excess	<p>In order to insure certain drivers on your Policy, we may have to apply an excess specifically to them.</p> <p>This excess is payable when a driver listed on the Policy Schedule has this excess showing against their name and is driving your vehicle at the time of the incident.</p>

When you won't have to pay an excess

There are three circumstances where we won't require you to pay certain excesses.

All excesses

You won't have to pay any excesses if your vehicle is damaged in a collision with another vehicle and all of the following apply:

- We agree the other driver involved in the collision was totally at fault
- You can give us the name and address of the other driver and the registration number of the other vehicle
- The other driver isn't a family member.

Unlisted driver excess

You won't have to pay an unlisted driver excess if you can prove to us your vehicle was stolen or damaged while being driven:

- Without your consent
- By a person in the motor trade who was servicing or repairing it, or was an attendant parking it, or who used it because a serious medical emergency had arisen

Excess free windscreen and window glass protection

You won't have to pay a vehicle excess on any glass claim if you've taken out our Excess free windscreen and window glass protection (see page 34).

Claims conditions

Contribution and other insurance

You must notify us of any other insurance which will or may, whether in whole or in part, cover any loss insured under your Policy.

If at the time of any loss, damage or liability there's any other insurance (whether effected by you or by any other person) which covers the same loss, damage or liability you must provide us with any reasonable assistance we require to make a claim for contribution from any other insurer(s).

Salvage

We're entitled to obtain and retain any items or materials salvaged or recovered after you make, and we agree, to pay a claim by replacing or paying to replace any items or materials. We may sell the items or materials and keep the proceeds. We may choose to sell the items or materials to you, provided you agree to pay market price .

Providing proof

You must be able to prove to us you've suffered a loss covered by your Policy before we'll pay you for it. We may ask you for this proof if you make a claim under your Policy. So your claim can be assessed quickly, make sure you keep the following:

- Police reports
- Medical reports
- Proof of loss or damage
- Proof of ownership
- Receipts or tax invoices

We won't pay any claim when the only proof of ownership is:

- A photograph
- A photocopy of any documentation
- A copy of information downloaded from the internet

Unless you also submit a statutory declaration in support of these items attesting to you being the owner of the item(s) you're claiming for.

GST

If you're a business you must tell us if you're registered, or are required to be registered, for GST. When you do this, we need you to give us:

- Your ABN
- The percentage of any input tax credit you will claim, or will be entitled to claim, on your premium.

When we pay a claim, your GST status will determine the amount we pay you. Your claim settlement amount will be adjusted to allow for any ITC entitlement.

Unless we say otherwise, all amounts in your Policy are inclusive of GST. There may be other taxation implications affecting you, depending upon your own circumstances. We recommend you seek professional advice.

How claims administration and legal proceedings are undertaken

When a claim is made we have the right, at our discretion, to exercise all the legal rights of the person making the claim relating to the incident and to do so in their name. We'll take full control of the administration, conduct or settlement of the claim including any recovery or defence we think necessary.

We'll also report any suspected fraudulent act to the Police for further investigation.

Subrogation, recovery action & uninsured loss

We may at any time, at our expense and in your name, use all legal means available to you of securing reimbursement for loss or damage arising under your Policy. In the event we do so, you agree to give all reasonable assistance for that purpose.

If you've suffered loss that wasn't covered by your Policy as a result of the incident, we may offer to attempt to recover this. You may also specifically ask us to recover this for you. You'll need to give us documents supporting your loss. Before we include any uninsured loss in the recovery action we'll also ask you to agree to the basis on which we'll handle your recovery action. You may need to contribute to legal costs in some circumstances.

Preventing our right of recovery

If you've agreed not to seek compensation from any person liable to compensate you for loss, damage or liability covered by your Policy, we won't cover you for that loss, damage or liability.
