About your policy

Our agreement

When *you* pay or agree to pay *your* premium, we agree to provide *you* with comprehensive insurance cover for *your car* under the terms and conditions set out in this policy.

Your policy documents

When *you* buy *your policy* it will be made up of:

- this Product Disclosure Statement (PDS)
- any applicable Supplementary Product Disclosure Statement (SPDS)
- your Certificate of Insurance

Information in this PDS might change. *We’ll* either send *you* a SPDS or a new PDS if the change is adverse. Other minor updates will be made available at [qbe.com/au](http://qbe.com/au) or *you* can request a paper copy.
Receiving your policy documents

We'll normally email your policy and other related documents. We'll treat the time they're sent out of our data system as the time you receive them. You can choose to receive them by post and you can change your preference at any time.

About this PDS

This PDS tells you about the QBE Comprehensive Car Insurance policy we offer including the conditions and exclusions of the cover. Before deciding to buy this policy, please read this PDS to decide if the cover is right for you.

Words in italics have special meanings that are explained in Definitions.

The amounts stated in this policy include GST unless stated otherwise.

When there is more than one insured

When there is more than one insured on your policy, we'll treat what any one of them says or does about your policy or any claim under it, as said or done by each of the insureds. We only need a request from one insured to change or cancel your policy or tell us where a claim payment should be paid.

Who is covered

Your policy covers anyone who drives your car when they meet its terms and conditions. This includes a learner driver who drives your car when supervised by a properly licensed driver.

Cooling off period

If you change your mind within 21 days of buying or renewing your policy, and you don't need to make a claim, you can cancel it and we'll give you a full refund.

You can also cancel your policy outside the cooling off period, see Cancelling your policy.
Tell us when things change

You must tell us immediately if any of the information on your Certificate of Insurance is incorrect or has changed. For example you must tell us if:

- **your car** is replaced
- the address where **your car** is usually kept changes or
- there is a change to how **your car** is used.

If you don’t tell us, we may reduce or refuse to pay a claim.

If we agree to the change, we'll send you an updated Certificate of Insurance and let you know if your premium has changed. If you do not pay us the additional premium for the change, we may reduce your policy’s period of insurance in proportion to what you have paid, or not make the change. Alternatively, we may tell you we can no longer cover your car and that we need to cancel your policy, or we may not offer to renew it.

For example, if the use of your car changes from private use to business use.
What is comprehensive cover?

Your QBE Comprehensive Car Insurance policy covers:

- damage to or theft of your car
- standard features explained in this policy
- options you’ve chosen to add to your policy, and which are listed on your Certificate of Insurance
- legal liability arising from damage to someone else’s property caused by the use of your car.

- collision or impact
- theft or attempted theft
- fire or explosion
- weather events (such as hail or flood) and
- malicious damage.

There are situations you’re not covered for. See General exclusions.

Options you can add to your policy

You can choose to add the following options to your policy for an extra cost. If you choose any of these, they will be shown on your Certificate of Insurance.

Hire Car – Extra

Your policy automatically provides you with a hire car benefit after theft, attempted theft or a not-at-fault car accident. See Standard features.

If you would like cover for a hire car after other incidents for which we’ve accepted a claim under this policy, you can choose to add this Hire Car – Extra option.

If you choose this option, we’ll arrange and pay the reasonable daily cost of a hire car which in our opinion meets the drivers’ mobility needs.

Under this option we’ll provide the hire car for up to 14 days:

• until repairs authorised by us are completed; or
• until we pay the reasonable costs to repair your car; or
• until we pay your claim after we determine your car is a total loss.

We won’t pay under this option:

✗ when your car is not at the authorised repairer and it’s safe to drive;
✗ if you arrange a hire car without our authorisation; or
✗ for any other costs related to the hire car, such as fuel, upgrade, road tolls, traffic fines, accidents or other losses, or insurance excess reduction.

‘No Excess’ Windscreen

If you choose this option you won’t need to pay an excess if your claim is only for damage to your car’s windscreen, sunroof or window glass, and the item needs to be replaced rather than repaired.

The good news is that if all you’re claiming for is your car’s windscreen, sunroof or window glass, and we can repair it without having to replace it, you won’t need to pay an excess. See the standard feature ‘No excess’ windscreen repair.

Choice of Repairer

When we repair your car under this policy we will normally use a QBE Accredited Smash Repairer or another licensed repairer we select.

If you add this Choice of Repairer option to your policy, you can choose which licensed repairer will repair your car. See Repairing your car to understand how this option works at claim time.

What is comprehensive cover?
Legal liability

In this legal liability section any reference to ‘you’ means the insured, any driver or any passenger of your car.

What you’re covered for

This policy covers your legal liability to pay compensation which arises from damage to someone else’s property, caused by the use of your car.

This legal liability cover also extends to:

- something falling from your car as well as the loading or unloading of your car.
  In this section, your car includes an attached trailer as well as a substitute car you’re using because your car is being repaired or serviced by a licensed tradesperson; and
- your employer or business partner, if you were using your car in the course of your employment or business partnership.

We’ll also cover clean-up costs at the scene of an accident, for which you are legally responsible.

What you’re not covered for

This policy does not cover your legal liability if:

- the claim arises from damage caused to property owned by you or in your possession or control;
- the use of the substitute car is already covered for legal liability by another motor vehicle insurance policy;
- the substitute car is owned by you or is a hire car;
- you didn’t have permission from the owner of the substitute car to use it;
- the claim arises from death or bodily injury; or
- the claim is excluded by the General exclusions.

The most we’ll pay

The most we’ll pay for all legal liability claims arising from any one incident is $30,000,000. This includes GST and any associated legal costs we’ve agreed to pay.
General exclusions

There is no cover under any section of your policy for any claim or damage, loss, cost or legal liability, that involves, arises from or is in connection with any of these general exclusions.

Driver

There is no cover if the driver of your car at the time of the incident was:

• driving without a valid driver’s licence or not complying with their licence conditions;
• under the influence of alcohol and/or a drug (including medication);
• driving when exceeding the legal limit for alcohol and/or a drug (including medication);
• not willing to take part in a test for alcohol and/or a drug (including medication);
• driving after getting medical advice that their ability to drive a car could be compromised by their medical condition or treatment;
• someone who stole your car; or
• excluded on your Certificate of Insurance.

The above driver exclusions do not apply if you had no reason to suspect that the driver of your car did or was any of the above. In that instance, we’ll cover the damage to your car but not any legal liability arising from damage caused by that driver. If allowed by law, we may recover the cost of your car’s damage from that driver.

Intentional, reckless or fraudulent acts

There is no cover for intentional, reckless or fraudulent acts by:

• you, any driver or passenger of your car, or anyone acting with your or their express or implied consent; or
• anyone who owns your car to any extent.

Examples of reckless acts include street racing, driving into floodwater, illegally using a mobile phone or driving at dangerously excessive speed.

This exclusion does not apply if we agree your car was stolen. We reserve the right to report suspected fraudulent or other criminal acts to the police for their investigation.
Use of your car

There is no cover if *your car* was being used:

- to deliver food or other goods for reward;
- to carry passengers for hire, fare or reward, except when:
  - it is unpaid carpooling or unpaid volunteering; or
  - *you* have told *us* *your car* is used for *ridesharing* and the number of *ridesharing* hours does not exceed that shown on *your Certificate of Insurance*;
- as part of a car sharing service or platform for reward;
- for a business use other than that shown on *your Certificate of Insurance*;
- to carry or tow a load (including a *trailer*) that was heavier than permitted by law or allowed by design specifications for the car or *trailer*, or was not properly secured;
- on a race or speedway track or in an organised event, whether or not the road was closed to public traffic;
- in preparation for, or when participating in, a race, time-trial, hill-climb or any competitive motor sport or contest;
- in a professional driver education course that involved speeds greater than 110km/h; or
- for any illegal purpose.

Reasonable actions and precautions

There is no cover if:

- *you* or the driver of *your car* did not take reasonable precautions to prevent loss or damage, for example:
  - leaving *your car* keys inside *your car* and leaving it unattended, such as when going to pay for petrol;
  - failing to lock *your car’s* windows and doors when *you* leave it unattended;
  - continuing to drive *your car* after it has been damaged or is overheating; or
  - not securing *your car* after it has broken down, been damaged or *you’ve* been notified it has been found after it was stolen;
- *you’ve* given someone permission to use *your car* and they then steal it; or
- *you* or anyone using *your car* admits fault or liability for an *incident*, unless *we* would have provided cover under *your policy* anyway.
**Condition of your car**

There is no cover if, at the time of the *incident, your car*:

- did not meet registration requirements in your state or territory; or
- was unroadworthy or in an illegal condition, unless we agree that its condition did not cause or contribute to the *incident*.

**Other loss or damage**

There is no cover for:

- tyre damage unless it’s caused in an *incident* for which we’ve agreed to pay a claim;
- mechanical, structural, electronic or electrical failure, unless it’s caused in an *incident* for which we’ve agreed to pay a claim;
- deterioration or wear and tear;
- depreciation;
- mould, rust or any type of corrosion;
- financial or non-financial consequential loss related to your claim, such as:
  - lost profits or income because you can’t use *your car*;
  - loss due to delay in repairs because a part isn’t readily available;
  - any diminished value of *your car* after it’s been properly repaired; or
- anything set out in the ‘But not...’ column in Standard features.

**Operation of law, war, nuclear material or terrorism**

There is no cover for loss or damage arising from:

- lawful seizure, repossession or other operation of law;
- invasion, war, civil war or rebellion;
- a nuclear weapon or nuclear fuel, waste or material;
- an act of terrorism including one arising from a biological, chemical or nuclear weapon, or related pollution or contamination;
- any fine, penalty or punitive damages, against anyone who uses *your car* or a replacement car or a substitute car;
- any breach of sanction, prohibition or restriction under United Nations’ resolutions or the trade or economic sanctions, laws or regulations of any country.
Claims

This section explains our claims process. For additional information about excesses and for examples of how we pay claims under this policy, read our Comprehensive Car Insurance Additional Information Guide at qbe.com/au or call us on 133 723 for a copy.

In this claims section any reference to ‘you’ means the insured, any driver or any passenger of your car.

What to do immediately after an incident

Immediately after an incident you must:

• prevent further damage to your car and keep it secure;
• get the full name and address of each person involved;
• get the registration numbers of any vehicles involved; and
• report the incident to police if your car is stolen or deliberately damaged.

As soon as you can after the incident, call us on 133 723 to make your claim, or lodge it online at qbe.com/au

What you must not do after an incident

To avoid your claim being delayed, reduced or refused you must not:

× admit fault or liability, except in a court or to police;
× offer or negotiate to settle a claim; or
× authorise repairs, other than as covered in the standard feature Essential temporary repairs.
Cooperating with us

To help us process your claim as efficiently as possible, you must:

• provide us with relevant information and documents, such as proof of purchase, registration papers or repair quotes;
• tell us promptly if you’ve been contacted by someone about your car or claim;
• attend one or more interviews about the claim if we ask you to;
• appear in court and give evidence if needed;
• make your car available for us to inspect or examine;
• take your car, or allow us to take it, to a place we require;
• respond to our requests in a timely manner; and
• not behave in a way that’s improper, hostile or threatening towards us.

If you don’t cooperate with us it may delay your claim, or we may reduce or refuse to pay your claim.

How we settle claims

If we accept your claim, we’ll settle it in one of the following ways:

• repair your car;
• pay the reasonable cost of repairing your car;
• determine your car is a total loss and pay the agreed value or market value, as shown on your Certificate of Insurance; or
• replace your car with a new one if the conditions in Replacing your car with a new one are met.

If your claim is for a replacement car covered under the standard feature Change of car, we’ll follow the same process as explained above. Except that a reference to market value will mean its fair market value just prior to the incident.

Repairing your car

We’ll arrange for your car to be repaired by a QBE Accredited Smash Repairer or another licensed repairer of our choice. We’ll manage the repair process, including choosing the suitable repair method. If needed, our repairer will sub-contract some of the repairs.

If your car is safe to drive, you’ll need to take it to our chosen repairer. If it’s not safe to drive, we’ll arrange for it to be taken there. If we repair your car, we’re entitled to keep any parts or materials salvaged from it.
How Choice of Repairer works

If you’ve added the Choice of Repairer option, and you choose to use it, you’ll need to:

• get a quote from an appropriately licensed and equipped repairer of your choice;
• allow us to assess the quote and your car before we authorise repairs; and
• allow us to get a quote from another repairer if we need one.

When you choose your repairer and we authorise the repairs, Our repair guarantee will apply as long as we manage those repairs to completion.

If your car is safe to drive, you’ll need to take it to your chosen repairer. If it’s not safe to drive, we’ll only pay what it would cost us to tow it to the repairer we would have otherwise arranged to repair your car.

Replacing damaged parts

If your car was first registered:

• less than 3 years ago, we’ll use genuine new parts when they are reasonably available.
• more than 3 years ago:
  ○ for mechanical parts we’ll only use genuine new or genuine reconditioned parts;
  ○ for other parts we’ll use genuine new parts, unless they are not reasonably available. If they’re not available, we’ll use genuine used parts.

Regardless of your car’s age, we may use quality non-genuine parts for windscreen, sunroof, window glass, radiator or air conditioning repairs or replacements. When we use non-genuine parts they will:

• be consistent with the age and condition of your car;
• not affect the safety or structural integrity of your car; and
• comply with applicable Australian Design Rules.

If a certain part isn’t readily available, we’ll pay you the last known price of that part.
Our repair guarantee

We'll guarantee the quality of workmanship and materials used in repairs authorised and managed by us, for as long as the owner of your car does not change. If you have concerns about the repairs to your car you must:

- call us on 133 723; and
- allow us to inspect your car and arrange any additional repairs we agree are needed. We will not pay for any additional repairs we don’t authorise.

If we agree additional repairs are needed and we decide that it’s not safe or economical to carry them out, we’ll determine your car is a total loss. If this happens:

- while your car is still insured with us, we’ll process your claim as set out in Paying the agreed value or market value; or
- after your car is no longer insured with us, we’ll pay its market value, calculated at the time we determine your car is a total loss.

Damaged car identification

We’ll do our best to obtain replacements of damaged build, VIN or compliance plates or labels, from your car’s manufacturer. If they’re not available, we’ll request a letter from the manufacturer confirming the identity of your car and the fact that the identifier was damaged.

We’ll otherwise repair your car without replacing the damaged identification, unless the law says we must.

Paying the reasonable cost of repairs

In the following circumstances, we’ll pay the reasonable cost of repairing your car:

- if you disagree with our assessment of required repairs or their cost;
- if parts needed for repairs are not readily available;
- if we’re concerned about the pre-incident condition of your car;
- if we’re concerned about the timing or conduct of repairs; or
- if you’ve added the Choice of Repairer option and we cannot agree with you or your chosen repairer, about the quote or the repair method for example.

In these circumstances, we will pay your car’s owner the reasonable cost of repairs, as determined by us. To help us determine the reasonable cost of repairs we may organise a quote from another licensed repairer. This may require your car to be moved. When we pay the reasonable cost of repairing your car, you’ll need to pay the applicable excess and arrange the repairs to your car.
Determining if your car is a total loss

We'll determine your car is a total loss if it is:

- damaged and we consider it unsafe or uneconomical to repair; or
- stolen and not found within 14 days of its theft being reported to police, and we are satisfied your claim is in order.

When we determine your car is a total loss:

- we are entitled to keep it;
- your policy comes to an end; and
- there is no premium refund as we've fulfilled our contract with you.

Paying the agreed value or market value

If we determine your car is a total loss, and if the conditions in Replacing your car with a new one are not met, or you choose not to accept a new car, we'll pay the agreed value or market value, as shown on your Certificate of Insurance.

We'll deduct the following from our payment:

- any excesses that apply to your claim;
- any remaining premium instalments for the period of insurance in which the incident occurred; and
- the value of your damaged car only if we agree you can keep it.

When your car is a total loss, and no one else has a financial interest in it, we'll pay its owner the settlement amount. If someone else has a financial interest in your car, we'll pay them what they're entitled to receive and pay the owner any balance up to the value of the claim. We will not pay any financier's late fees, interest or other administration fees. The owner will need to remove any registered security interest in your car after we settle your claim as a total loss.

Replacing your car with a new one

If we determine your car is a total loss, we'll replace it with a new car of the same make, model or series, when readily and locally available if your car meets these conditions:

- it was first registered less than 3 years before the incident;
- its owner acquired it new or as a demonstrator model;
- it has been driven less than 60,000km; and
- if it is financed, the financier agrees with your car being replaced.

Continued next page...
Replacing your car with a new one  (continued...)

If a new replacement car is not available, we'll replace your car with a new car that, in our opinion, is of a similar make and model. The new car will have the same or equivalent factory-fitted and legal aftermarket accessories and modifications that your car had.

When we replace your car, we'll also pay for its initial stamp duty and registration fees, but not compulsory third party insurance if this is sold separately where your car was last registered. We won't pay to purchase or transfer any extended warranty for the new car.

Before we replace your car, you must pay us:

- any excesses that apply to your claim;
- any remaining premium instalments for the period of insurance in which the incident occurred; and
- the value of your car in its damaged state only if we agree you can keep it.

Claim payments and GST

We pay claims inclusive of GST unless the owner of the car is a business which is, or needs to be, registered for GST. In that case, we'll reduce the amount we pay to settle the claim by the Input Tax Credit amount to which they are, or would be, entitled. If they fail to disclose or understate their entitlement, they may be liable for GST on a claim we pay.
### Excesses

In most cases, you’ll need to contribute an amount towards the cost of any claims you make. Your contribution may be made up of one or more of the following excess types. The excess types and amounts that apply to your policy will be shown on your Certificate of Insurance. For additional information about excesses and how they apply to your policy, read our Comprehensive Car Insurance Additional Information Guide at qbe.com/au or call us on 133 723 for a copy.

</table>
How we collect the excess

When an excess applies to your claim, we’ll:

• ask you to pay it to the repairer or supplier;
• ask you to pay it to us before we process or finalise the claim; or
• deduct it from any settlement amount we pay under the claim.

We will not pay for any costs that result from a delay in paying an excess.

Claims administration, going to court and recovery action

When we pay a claim under your policy, we have the right to exercise your legal rights related to that claim in your name. We’ll take full control of the administration, conduct or settlement of the claim, including any recovery or legal defence we think is needed. When seeking reimbursement in your name, and at our expense, you’ll need to give us reasonable assistance.

When we pay a claim and some of the loss isn’t covered by your policy, we may offer to try to recover that loss for you when we take any steps to recover the covered loss. We can only do so if you agree to give us documents that support your loss and agree with us on how we’ll handle that recovery. You may also need to contribute to the associated costs.

If we determine that you’ve received a benefit under your policy that you were not entitled to, we reserve the right to recover from you the amount we have paid. If we decline a claim for fraud, we reserve the right to recover our reasonable administration, investigation and legal costs.
Paying your premium

*Your* premium is the cost of *your policy*. It is the amount *we* set by taking into account things like the chance of *you* making a claim under *your policy*, the options *you’ve* chosen as well as other factors including *our* costs of doing business. *Your* premium also includes GST and other applicable government fees, duties and charges.

*We’ll* let *you* know how much premium *you* need to pay *us*, how to pay it and when. *You* must pay *us* *your* premium on time to stay covered. For more information about how *we* set *your* premium, read *our* Comprehensive Car Insurance Additional Information Guide at qbe.com/au or call *us* for a copy.

*We* offer *you* several ways to pay *your* premium, including by direct debit which is explained below.

Paying by direct debit

*You* can choose to pay *your* premium annually or in instalments by direct debit.

If *you* choose to pay by direct debit, *you* authorise *us* to debit *your* nominated account for the agreed premium. If the scheduled debit date shown on *your* Certificate of Insurance is a NSW public holiday or bank holiday, *we’ll* debit *your* account on the next business day. *We’ll* give *you* at least 14 days’ notice if *we* change the way the direct debit of *your* policy works.

*You* need to make sure *your* nominated account details are correct and up to date. This includes advising *us* of a change to the expiry date of a payment card or method. If *your* nominated account details change *you* must tell *us* at least 7 days before the next instalment is due.

*You* need to have enough funds in *your* nominated account to allow *our* scheduled debit. If *you* don’t, *you’ll* be responsible for any fee or interest charged by *your* financial institution. *You* can also choose to stop *your* direct debit by contacting *your* financial institution.
Important – what happens if your direct debit fails

If you’ve chosen to pay your premium **annually** by direct debit and we don’t receive your payment on time, we may cancel your policy as permitted by law and refuse to pay a claim.

If you’ve chosen to pay your premium by direct debit **instalments** and an instalment remains unpaid for one month or more, we may cancel your policy and refuse to pay a claim.

**Renewing your policy**

If we offer to renew your policy, we’ll send you a renewal Certificate of Insurance. If you make any changes to your policy after we send you our renewal offer, and we agree to continue to insure you, we’ll send you an updated renewal offer and you’ll need to pay us any additional premium to ensure your cover is not affected.

If you pay your premium by direct debit

If you pay your premium by direct debit and we offer to renew your policy, **we’ll continue to debit your premium payments**, either annually or in instalments, whichever you’ve previously chosen.

If you don’t want to renew, you must tell us at least 7 days before your policy’s end date.

**Cancelling your policy**

You can cancel your policy at any time by telling us. We can cancel your policy as permitted by law, for example when you do not pay us your premium.

If you’ve paid your premium in advance and your policy is cancelled, we’ll refund you the proportion of the premium for the remaining **period of insurance**, minus any non-refundable government fees, duties or charges.

If you make a fraudulent claim on your policy, we can cancel it and we won’t provide any refund.
