

Partnering for success in Workers Compensation

Where are the opportunities in your customer base?

Focusing on ACT customers, we have conducted a comprehensive review of the local economic outlook and focus industries. These insights have enabled us to target a broad selection of relevant industries to offer even greater value in Workers Compensation insurance.

Local team with national resources

There's far more to QBE than just great policies.

Dedicated ACT team

We have a team of dedicated case managers based in ACT and expert underwriters with local knowledge to look after your customers. You also have the convenience of quoting online.

Investing in innovations

Our investment in a suite of new programs is delivering impressive results for injury and return to work management. We're bolstering analytics, upgrading processes and creating new underwriting technologies.

The right people

We have heavily invested in recruitment and training programs to attract, retain and grow our local and national teams – people who genuinely care about your business and customers. We focus on getting to know your team.

Data and insights

Give your business an edge by gaining access to our depth of insights, proven expertise, rich interactive data sets and smart reporting tools.

Key opportunities

We're passionate about helping ACT brokers grow and supporting your customers.
