# About your policy

## Our agreement

When *you* pay or agree to pay *your* premium, *we* agree to provide *you* with insurance cover under the terms and conditions set out in this policy.

## Your policy documents

When *you* buy *your* policy, it will be made up of:

this Product  
Disclosure  
Statement (PDS)

any applicable  
Supplementary Product  
Disclosure Statement (SPDS)

*your Certificate  
of Insurance*

Information in this PDS might change. If the change is adverse, and might affect a reasonable person's decision to buy the policy, then *we'll* issue an SPDS or a new PDS at renewal. All updates (whether adverse or not adverse) will be made available at [qbe.com/au](http://qbe.com/au) or *you* can request an up-to-date paper copy at no charge by *us*.

## Receiving your policy documents

We'll normally email *your* policy and other related documents. We'll consider an email to be received by *you* 24 hours from the time it's sent out of *our* data system. *You* can choose to receive *your* policy documents by post and *you* can change *your* preference at any time. It's *your* responsibility to make sure we have *your* current email and mailing address on record, so *you* must let *us* know as soon as these change.

## About this PDS

This PDS tells *you* about the QBE Contents Insurance policy we provide including the conditions and exclusions of the cover.

Words in italics have special meanings that are explained in **Definitions** located at the back of this PDS.

The amounts stated in this policy include GST unless stated otherwise.

## When there is more than one insured

When there is more than one *insured* on *your* policy, we may treat what any one of them says or does in relation to *your* policy or any claim under it, as said or done by each of the *insureds*. We may rely on a request from one *insured* to change or cancel *your* policy or tell *us* where a claim payment should be paid.

## Interests in the policy

*You* must not transfer any interests in *your* policy without *our* written consent.

Any person whose interests *you've* told *us* about and we've noted on *your Certificate of Insurance* is bound by the terms of *your* policy in relation to any claim they make.

If *you* have used all or part of *your contents* as security for a loan from a lender, we may pay the lender all or part of the payment made when settling *your* claim. For more information, see **Lender's rights**.

## Cooling off period

If *you* change *your* mind within 21 days of the start or renewal date of *your* policy, *you* can cancel it and we'll give *you* a full refund if *you* haven't made a claim on *your* policy.

See also **Cancelling your policy**.

## Tell us when these things change

You must tell us as soon as reasonably possible if any of the following information on your *Certificate of Insurance* is incorrect or has changed.

Things you must tell us	If you are a renter	If you are a strata lot owner
You move into a new <i>home</i>	✓	✓
Your <i>home</i> will be <i>unoccupied</i> for any period longer than 90 consecutive days	✓	✓
The occupancy of your <i>home</i> changes, for example, you plan to rent all or part of it out to boarders, tenants or paying guests (including if you sub-let).	✓	✓
Someone else moves in so that there are 3 or more unrelated people living at the <i>property address</i>	✓	✗
You start operating a business or generating a regular income from the <i>property address</i> other than a home office taking up less than 20% of the <i>home</i> <b>Note:</b> Doing office work in a home office, including working from home for your employer is not considered to be operating a business	✓	✓
You're planning renovations, alterations, additions or repairs at the <i>property address</i> with a commercial value greater than \$20,000	✗	✓
<div style="border: 1px solid blue; border-radius: 10px; padding: 5px; display: inline-block;">                     For example, you're planning on installing a new kitchen.                 </div>		
You want to increase your sum(s) insured	✓	✓
You want to add <i>Specified Contents</i> or <i>Portable Contents</i> or increase any specified limit	✓	✓

If you don't tell us, we may reduce or refuse to pay a claim.

When you tell us about something that has changed or request a change to your policy, we will assess the change to the risk in accordance with our underwriting rules and processes.

## Changes to your cover

If *you* request any change to cover (e.g. *you* choose to add an optional cover or *you* increase *your* sum(s) insured) then, if *we* agree to the change, *we* will issue a new *Certificate of Insurance* and ask *you* for any additional premium. If an additional premium is required, the change will only be effective when:

- if *you're* paying in instalments by direct debit, any remaining instalments have been adjusted to reflect the additional premium; or
- *you* have paid the additional premium by the due date *we* give *you*. If *you* don't pay the additional premium by the due date then *we* will make reasonable efforts to contact *you* using the latest contact details *you* provided *us*. If *we* don't receive payment of the additional premium owed, the change will not be effective and *we* will confirm this by issuing a replacement *Certificate of Insurance*.

If *you* request any change to cover and *we* don't agree to the change, then *we* will let *you* know and the policy will continue unchanged.

Contact *us* on **133 723** to discuss potential changes in circumstances when *you* know the details of the timing and nature of the changes before they happen, to find out in advance whether *we* will be able to continue to insure *your contents*.

## Changes to your circumstances

If *you* tell *us* about a change in *your* insured *property's address* then *we* will consider it under *our* underwriting rules and processes, and depending on the underwriting assessment:

- If *we* do not agree to the change then *we* will cancel *your* policy and refund the unused portion of the premium.
- If *we* agree to the change, *we* will issue a new *Certificate of Insurance* and ask *you* for any additional premium, inform *you* of any change in terms, and any additional applicable excess(es). If an additional premium is required, the change will only be effective when:

Changes of these kinds sometimes alter the risk to *us* in such a significant way that it is no longer within *our* underwriting rules, and *we* would not have issued the policy if the request had been made before the start of the policy.

- if *you're* paying in instalments by direct debit, any remaining instalments have been adjusted to reflect the additional premium; or
- *you* have paid the additional premium by the due date *we* give to *you*.

## About your policy

### Changes to your circumstances (continued...)

If *you* don't pay the additional premium by the due date then *we* will make reasonable efforts to contact *you* using the latest contact details *you* provided *us*. If *we* don't receive payment of the additional premium owed, then *we* will cancel *your* policy. *We* will use the latest contact details *you* provided *us* to notify *you* of the cancellation date, which will depend on factors including:

- the amount of the additional premium payable for the change;
- the premium *you* have already paid on *your* policy; and
- the remaining *period of insurance*.

*You* will not receive a refund as *we* will use the premium *you* have already paid to delay the cancellation date by as long as possible. If *you* pay the additional premium after *we* notify *you* but before the cancellation date, then *we* will no longer need to cancel *your* policy.

If relevant, please see *our* Financial Hardship policy available at [qbe.com/au](http://qbe.com/au)

If *you* tell *us* about any of the following changes then *we* will cancel *your* policy and refund any unused portion of the premium:

- *you* start operating a business or generating a regular income from the *property address* other than a home office taking up less than 20% of the home;
- the occupancy of *your home* changes, for example, *you* plan to rent all or part of it out to boarders, tenants or paying guests; or
- *you* are a **renter** and someone else moves in so that there are 3 or more unrelated people living at the *property address*.

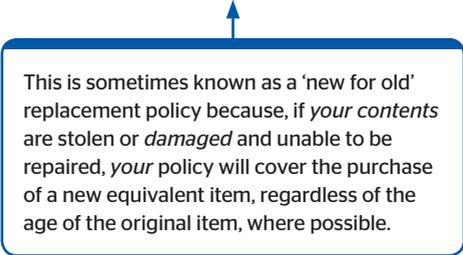

Doing office work in a home office, including working from home for *your* employer, is not considered to be operating a business.

If *you* tell *us* about any other change, *we* will consider it under *our* underwriting rules and processes at the time.

## Your contents sums insured

It's important to insure for the right *contents* sum insured because, if *you* underinsure, it could be financially devastating. For example, if *your contents* were *damaged* significantly in a fire, and *your* sum insured wasn't enough to fully replace *your contents*, *you'd* have to pay the shortfall yourself.

*Your contents* sum insured, should be the cost to replace all *your contents* at today's prices so that *you* have adequate cover in the event of a *total loss*.

This is sometimes known as a 'new for old' replacement policy because, if *your contents* are stolen or *damaged* and unable to be repaired, *your* policy will cover the purchase of a new equivalent item, regardless of the age of the original item, where possible.

The amount *you* select is called *your 'contents sum insured'* - it'll be shown on *your Certificate of Insurance*.

**Note:** If *you* are:

- a **strata lot owner** and *you* have *fixtures* which the *strata body corporate* is not required by law or its constitution to insure; or
- a **renter** and *you* have *fixtures* for which *you* are responsible under *your* lease agreement that complies with the relevant residential tenancy law and/or which are installed by *you* for *your* own use,

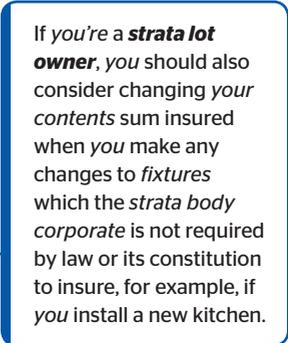

remember to include the new replacement value of these *fixtures* in *your contents* sum insured.

## Changing your contents sum insured

*You* should consider updating *your contents* sum insured when making changes such as:

- *you* determine *you* are underinsured after reassessing the value of *your contents* while making an inventory of *your* possessions;
- *you* buy items that increase the value of *your contents*; or

**Note:** Limits apply to some *contents* items. See **Contents with limits**.

If *you're* a **strata lot owner**, *you* should also consider changing *your contents* sum insured when *you* make any changes to *fixtures* which the *strata body corporate* is not required by law or its constitution to insure, for example, if *you* install a new kitchen.

## About your policy

### Changing your contents sum insured (continued...)

- *you* buy jewellery, watches, *artworks*, rugs or *antiques*, or *you* buy or add to a *collection* worth more than the limit set out in **Contents with limits**.

Whilst *you* should take care not to be underinsured, *you* should also consider reducing *your contents* sum insured if *you* sell or dispose of items without replacing them.

### Contents sum insured adjustment feature

*We'll* increase *your* sum insured by 0.4% for each whole calendar month until *you* next renew *your* policy to help with increases in replacement costs.

*We* will not increase *your* sum insured for any *Specified Contents* or *Portable Contents* covered under *your* policy.

For an example of how the *contents* sum insured adjustment feature works in practice, see the Contents Insurance Additional Information Guide at [qbe.com/au](http://qbe.com/au) or call *us* on **133 723** for a copy at no charge by *us*.

### Your contents sum insured at renewal

Normally, before *your* policy ends each year, *we'll* send a renewal invitation and let *you* know the renewal premium. *We* may increase *your* sum insured, to allow for increases in replacement costs. This may not be the same as 12 x 0.4% under the **Contents sum insured adjustment feature**.

*You'll* still need to check *your* sum insured to make sure the amount is appropriate and that *you're* not underinsured.

*We* will not automatically adjust the sum(s) insured for any *Specified Contents* or *Portable Contents* covered under *your* policy.

### Overinsuring

If *you* overinsure *your contents* and they are a *total loss*, *we* will only pay the reasonable cost to replace them to a condition substantially the same as, but not better than, when new.

# Your contents cover

## What you're covered for

We'll cover you:

- for *damage* to *your contents* caused by the Insured Events listed in this PDS;
- under Standard Features;
- under the Accidental Damage option and/or the Portable Contents option if *you've* chosen to add it to *your* policy and it's shown on your *Certificate of Insurance*; and
- for legal liability caused by an *occurrence* during the *period of insurance* anywhere in the world.

See **What do we mean by contents?**

There are situations *you're* not covered for. These are set out throughout the PDS. Also, see **General Exclusions**.

## Contents with limits

Some *contents* items have standard policy limits. If *you* make a claim for loss of or *damage* to one of the items in the table on the next page, we won't pay more than the limit shown unless:

- *you* have told *us* about the item and the cost to replace it (see **Can the limit be increased?** in the table on the next page); and
- we agree to cover the item for more than the standard policy limit; and
- it is shown as a *Specified Contents* item on *your Certificate of Insurance*.

If *you* have an item that could fall under more than one category in the table on the next page, we will treat that item as though it is in the category with the lowest applicable limit.

For example, jewellery, watches and *collections* are not considered *antiques* under this policy, even if they are over 100 years old. The lower limits in the table for jewellery and watches and *collections* apply to these items, not the *antiques* limit.

Continued next page...

## Your contents cover

### Contents with Limits (continued...)

If the standard policy limit will not be enough to cover the repair or replacement of a particular item, *you* should tell *us* about the item and the cost to replace it so that we can consider whether to agree to cover it for more than the standard policy limit.

Item	Standard policy limit	Can the limit be increased?
Jewellery and watches	\$2,500 per item, set or pair	✓
Collections	\$5,000 per collection	✓
Artworks, rugs and antiques <b>Note:</b> See the definitions of 'artworks' and 'antiques' as they have special meanings in this PDS	\$20,000 per item, set or pair	✓
Cash, vouchers, coupons, gift cards, money orders, negotiable financial documents, bullion, ingots, uncut and/or unset gemstones	\$800 in total	✗
Items used by <i>you</i> or <i>your family</i> for earning any income (but not including items ordinarily used in a home office)	\$5,000 in total	✗
Accessories, appliances or spare parts for motor vehicles, caravans, trailers and watercraft (but there is no cover when they are in, on or attached to any of them)	\$1,250 in total	✗
Model aircraft or drones <b>Note:</b> Other limitations and exclusions apply to model aircraft and drones relating to size, weight and usage. See <b>Definitions and General Exclusions</b> .	\$1,500 per model aircraft or drone	✗
Food and prescribed medicines that must be refrigerated or frozen	\$500 in total, once in a period of insurance	✗

## Specified Contents

*Specified Contents* are items we've agreed to cover for more than the standard policy limits that would otherwise apply.

The most we'll pay for your *Specified Contents* items is the Specified item limit shown on your *Certificate of Insurance*.

## Where are your contents covered?

*Your contents* are usually only covered at *your property address*. Limits and exclusions apply to *contents* and *Portable Contents* wherever they're covered, as set out throughout the PDS.

There are some specific limits and exclusions for *contents* in the *open air* at the *property address* under the Insured Events: **Theft or burglary** and **Storm, storm surge, rain, hail or flood**.

There is some limited cover away from the *property address* in particular situations where you move to a new permanent residence. Please see details in **Contents in transit to your new home** and **Cover when you move to your new home**.

If you have *Portable Contents* shown on your *Certificate of Insurance*, they are generally covered anywhere in Australia and New Zealand, and anywhere in the world for up to 90 days. There are some specific exclusions that apply to *Portable Contents*, including when they are in transit to a new permanent residence. See **Portable Contents - What you're not covered for**.

## Your contents cover

### Where are your Contents covered? (continued...)

The table is a quick guide on where certain *contents* items are covered:

Location		Contents	Portable Contents (optional)
<b>At the property address</b>	Inside <i>your home</i>	✓	✓
	In the <i>open air</i>	✓	✓
<b>Away from the property address</b>	In transit to <i>your</i> new home	✓	✓

## Insured Events

We cover *damage* to your insured contents caused directly by the following Insured Events that occur during the *period of insurance*. If we agree to pay a claim for an *incident*, we will also pay the Standard Features described in the table below where the need arises due to that *incident*. These features are payable as part of *your contents* sum insured, unless otherwise indicated. There is no excess payable for these Standard Features as *you* will already be paying the applicable excess for the *incident*.

Standard Feature	We will...	But not...

We will calculate the amount payable based on the number of days <i>your home</i> is <i>unliveable</i>.</p>	

Unlike the Standard Features in the previous table, *you* can make a claim for the following Standard Features even if the claim is not connected to an *incident* for which we have agreed to pay a claim. They are payable as part of *your contents* sum insured. The loss or *damage* must occur during the *period of insurance*.

In some cases, *you* will have to pay an excess when we agree to pay one or more of these Standard Features. This is indicated in the table below. Where we state that no excess is payable, this relates only to the Standard Feature. If *you* are also claiming for *damage* where an excess is payable, then *you* will still need to pay an excess for that claim.

For example, if *your* food or prescribed medicines in *your* fridge or freezer are spoiled due to a failure of electricity supply and they're the only things that were affected, *you* will not have to pay an excess under the Standard Feature **Food Spoilage**. If, however, *your* food or prescribed medicines were spoiled due to *your* fridge or freezer motor burning out by electric current and we agree to pay a claim for the Insured Event **Burnout of electric motors**, then *you* will have to pay an excess for that claim.

## Options you can add to your policy

### Accidental Damage option

If we agree, you can choose to add the Accidental Damage option for an additional premium. This cover applies to *accidental* loss or *damage* occurring at the *property address* during the *period of insurance*.

This covers you for things like where your friend's child who's visiting *accidentally* smashes your television screen with a ball.

Whether we agree to provide the Accidental Damage option will depend on our underwriting rules and processes at the time. If the option has been added to your policy, it will be shown on your *Certificate of Insurance*.

If you choose to add the option during the *period of insurance*, it will only apply:

- once you've paid us the additional premium or, if you're paying in instalments by direct debit, the instalments have been adjusted to reflect the additional premium; and
- from the effective date shown on your *Certificate of Insurance*.

### What you're covered for

We'll cover:

- *accidental damage* to your contents, including *damage* caused by *power surge* confirmed by an appropriately qualified contractor; and
- *accidental loss* of your contents that can't be recovered after you have taken reasonable steps to try to find or recover them.

If you think you may have a claim for *power surge*, please call us on **133 723** before you contact anyone to make repairs.

You are also covered for some things that wouldn't be covered under the following Insured Events: **Fire, Theft or burglary, Accidental breakage of glass or sanitary fixtures** and **Storm, storm surge, rain, hail or flood**. See these Insured Events for details of this additional cover.

## Your contents cover

### What you're not covered for

We will not cover *damage* caused by anything excluded under any section of *your* policy, including

- anything in the '**We won't cover**' column of the Insured Events table, except where specifically noted as being covered under the Accidental Damage option. See the Insured Events **Fire, Theft or burglary, Accidental breakage of glass or sanitary fixtures** and **Storm, storm surge, rain, hail or flood**;
- anything in the '**But not...**' column of the Standard Features tables; and
- the **General Exclusions**

We will not cover *damage* to any of the following items while being used:

- power driven items;
- *sporting equipment*;
- tools and equipment used by *you* or *your family* for earning any income;
- *bicycles*;
- watercraft; and
- *model aircraft or drones*.

### Portable Contents option

*You* can choose to add the Portable Contents option for an additional premium if:

- the *property address* is the place of *your* permanent residence; and
- we agree to provide the Portable Contents option.

The Portable Contents option is not available for holiday homes.

Whether *we* agree to provide the option will depend on *our* underwriting rules and processes at the time. If the Portable Contents option has been added to *your* policy, it will be shown on *your Certificate of Insurance*.

If *you* choose to add the option during the *period of insurance*, it will only apply:

- once *you've* paid *us* the additional premium or, if *you're* paying in instalments by direct debit, the instalments have been adjusted to reflect the additional premium; and
- from the effective date shown on *your Certificate of Insurance*.

Under this option *you* can choose 'Portable Contents - Categories' cover, Specified Portable Contents or both.

## Portable Contents option (continued...)

You can choose 'Portable Contents - Categories' cover for the categories listed below. You can choose the amount of cover you need - we call this your 'Category limit'. The Category limit shown on your *Certificate of Insurance* is the maximum we will pay in total for all items in that category which are lost or *damaged* in any one *incident*.

### Category

If you would like a Category limit which is more than the amount we accept, we'll tell you and you can tell us about the items and the amount you want them covered for. If we agree to cover them, they'll be shown as Specified Portable Contents on your *Certificate of Insurance*.

## Legal liability

In this legal liability section only, the following words and terms appear in italics and have these special meanings:

'you' or 'your' means the *insured*, and any *family* members who normally reside at the *property address*.

'damage to property' means physical loss, destruction or damage to physical property belonging to someone other than *you*, including the loss of its use.

'personal injury' means physical, mental or psychological harm including disease or disability, suffered by someone other than *you*, and/or death.

'occurrence' means an event, including continuous or repeated exposure to substantially the same general conditions which results in *personal injury* or *damage to property*. We regard all *personal injury* or *damage to property* arising from one original source or cause as arising from one occurrence.

We'll cover *your* legal liability anywhere in the world including at the *property address* for:

- *personal injury*; and
- *damage to property*

arising from an *occurrence* during the *period of insurance*.

For example, *you* may be found liable to pay compensation if *you* have an accident while riding *your bicycle* and *you* injure someone or when a guest falls over *your child's* tricycle and is injured when visiting *your home*.

## The most we'll pay

The most we'll pay for *your* legal liability arising from any one *occurrence* or series of related *occurrences* is \$30 million. This includes GST and any legal costs of investigating, defending or settling the claim that we first approve.

**Note:** We have the right to appoint *our* lawyers to represent *you*. See **Claims administration, going to court, recovery action and legal liability claims**.

No excess applies for legal liability claims.

If *you* are also claiming for *damage to your contents* or *Portable Contents* as a result of the same event, then *you* will still need to pay an excess for that claim.

# General exclusions

## Intentional, reckless or fraudulent acts

There is no cover under any section of *your* policy for any claim, loss, cost, *damage*, injury, death or legal liability, that is caused by, or arises from or in connection with any intentional, reckless or fraudulent acts or omissions by:

- *you* or *your family*;
- anyone acting with the express or implied consent of *you* or *your family*; or
- anyone who owns the *contents* insured under this policy to any extent.

## Illegal activity

There is no cover under any section of *your* policy for any claim, loss, cost, *damage*, injury, death or legal liability, that is caused by, or arises from or in connection with any illegal activity *you* or *your family* are involved in, including but not limited to:

## Business activities at the property address

There is no cover under any section of *your* policy for any claim, loss, cost, *damage*, injury, death or legal liability, that is caused by or arises from any business or income earning activities being conducted at the *property address*. This exclusion does not apply if the activity is just the use of an office taking up less than 20% of *your home*.

Doing office work in a home office, including working from home for *your* employer is not considered to be a business or income earning activity.

## Reasonable actions and precautions

There is no cover under any section of *your* policy for any claim, loss, cost, *damage*, injury, death or legal liability, to the extent that it is caused by or arises from *you* or *your family*:

- not taking reasonable care to protect and maintain the insured property;
- not taking reasonable steps to minimise the cost of any claim under *your* policy; or
- not complying with all laws relating to the safety of a person or property.

## Condition of your home

There is no cover under any section of *your* policy for any claim, loss, cost, *damage*, injury, death or legal liability caused by or arising from:

- *your* failure to:

  - report to the owner of the property, any of the following:
    - a defect;

    - faulty workmanship

as soon as is reasonable after *you* become aware of it, or a reasonable person in the circumstances would have become aware of it;

- *your* failure to fix *damage* to *your* property, or report *damage* to the owner of the property, that existed prior to the *incident* or *occurrence* as soon as is reasonable after *you* become aware of the *damage*, or a reasonable person in the circumstances would have become aware of it; or
- *your* failure to report to the owner of the property if *your home* is not structurally sound, watertight, secure, well maintained and in a good state of repair, as soon as is reasonable after *you* become aware of the issue, or a reasonable person in the circumstances would have become aware of it.

If you are a **renter**, owner of the property means the landlord.  
If you are a **strata lot owner**, owner of the property means the *strata body corporate* or equivalent.

## Condition of your home (continued...)

However, this **Condition of your home** exclusion applies only to the extent that the relevant claim or loss, *damage*, injury or death, cost or legal liability is caused by, arises from or is made worse by one or more of the above circumstances, and *you* knew or a reasonable person in the circumstances would have known that the relevant condition of the *home* may cause, give rise to or make worse the claim or loss, *damage*, injury or death, cost or legal liability and *you* did not report it to the owner of the property and a reasonable person in the circumstances would have reported it to the owner of the property.

There is no cover under any section of *your* policy for any claim, loss, cost, *damage*, injury, death or legal liability caused by or arising from renovations, alterations, additions or repairs undertaken or authorised by *you*, where *you* were aware or a reasonable person in the circumstances would have been aware that the work did not comply with building laws or regulations and in addition:

- in the case of a **renter** - the lease agreement; and
- In the case of a **strata lot owner** - any strata by-laws or constitution of a *strata body corporate*.

There is no cover under any section of *your* policy for any:

- wear, tear, *depreciation*, rust, oxidation, corrosion, fading;
- defect, structural fault, design fault or faulty workmanship;
- rising damp, seepage, mould, mildew, rot; or
- gradual deterioration due to action of light, air, sand, sea salt, sea water, atmospheric or climatic conditions.

For example, the breakdown of grouting or tile adhesive over time.

## Loss or damage indirectly related to your claim

This policy only covers claims, losses and costs directly related to *damage* from an Insured Event (such as the costs of repair or replacement) unless additional cover is specifically stated. Any other claims, losses and costs that are not directly related to *damage* from an Insured Event are not covered, such as but not limited to:

- additional travel costs because *your home* is *unliveable* due to an *incident*;
- if you are a **strata lot owner**, any decrease in the value of *your* strata lot, similar strata community title lot or *your* share in relation to company title;

- mechanical, electronic or electrical breakdown other than under the Insured Event **Burnout of electric motors**, however, we will cover resultant *damage* to the extent it's covered under the Standard Feature - **Food spoilage** or the Insured Event **Fire**; 

For example, if *you* empty *your* swimming pool or spa, the pressure exerted on it by water in the surrounding ground due to heavy rain, can cause it to move, warp or lift out of the ground.

For example, we will cover *damage* caused by fire spreading from an electrical fault.

Continued next page...

## Other loss or damage (continued...)

- insects, vermin or rodents, however, we will cover resultant *damage* to the extent it's covered under the Insured Events

- invasion, acts of foreign enemies, hostilities, war or war-like operations (whether war be declared or not), or civil war;
- mutiny, civil commotion assuming the proportions of, or amounting to, a popular rising, military rising, insurrection, rebellion, revolution, military or usurped power;
- a nuclear weapon, the use, existence or escape of nuclear fuel, waste, radiation or material, or nuclear fission or fusion;
- any act of *terrorism* involving biological, chemical, nuclear or radioactive pollution, contamination or explosion.

### Sanctions limitation and exclusion clause

We will not be liable to provide any cover, pay any claim or provide any benefit under this policy, to the extent that to do so may expose *us* to any sanction, prohibition, or restriction under United Nations resolutions or any applicable trade or economic sanctions, laws or regulations of any country.

### Laws impacting cover

We will not be liable to provide any cover, pay any claim or provide any benefit under this policy, to the extent that it is illegal for *us* to do so.

### Multiple causes

Where loss, *damage*, injury or death has two or more causes and at least one of those causes is excluded by this policy, we will not provide any cover, pay any claim or provide any benefit under this policy.

# Claims

This section explains *our* claims process. For examples of how we pay claims under this policy, read *our* Contents Insurance Additional Information Guide at [qbe.com/au](http://qbe.com/au) or call us on **133 723** for a copy at no charge by us.

We handle many *contents* insurance claims every day. We know that some of *our* customers face difficult circumstances when making a claim on their *contents* insurance policy. In some cases, *your* circumstances might prevent *you* from strictly complying with policy terms and conditions. For example, if *you* are badly injured in an *incident* that also results in a claim under this policy, then *you* may not be able to provide the assistance we normally need to process *your* claim. If this applies to *you*, then *you* or *your family* should speak to us about *your* situation. We will consider *your* situation and see how we can help *you*.

If relevant, please see *our* Financial Hardship and/or Family and Domestic Violence policies available at [qbe.com/au](http://qbe.com/au)

*You* can ask us if *your* policy covers a particular loss before *you* actually make a claim.

## What you must do after an incident

As soon as reasonably possible after an *incident* you must:

- take reasonable steps to:
  - prevent further loss or *damage* to *your* property and keep it secure;
  - get the full name and address of each person involved; and
- report the *incident* to police if something was lost, stolen or deliberately *damaged* and provide details of the report to us. We may need the police report number to process *your* claim or *our* recovery action if there is a third party who is liable for *your* loss.

As soon as *you* can after the *incident*, call us on **133 723** to make *your* claim, or lodge it online at [qbe.com/au](http://qbe.com/au). If the situation requires urgent attention, please call us. We're available 24 hours, 7 days a week.

If, as a result of an *incident*, *you* are in urgent financial need of the benefits *you're* entitled to under *your* policy, please call us as soon as possible to see how we can assist *you*.

## What you must not do after an incident

We reserve the right to reduce *your* claim payment if *your* actions after an *incident* increase the loss or liability. If *your* actions prevent *us* from recovering a claim payment from another person who would be liable to *you* for a loss or liability that *you* suffer, then we may refuse to pay *your* claim. To avoid *your* claim being delayed, reduced or refused *you* must not:

- admit fault or liability, except in a court or to police. Call *us* if *you* would like guidance;
- offer or negotiate to settle a claim against *you*;
- unnecessarily delay notifying *us* of the *incident*;
- enter into any agreement with anyone else which could limit the amount that could be recovered from them;
- agree not to seek compensation from any person liable to compensate *you*;
- authorise repairs without *our* consent. If *you* do, we may not cover them; or
- dispose of *damaged* items unless *we've* first agreed to this. This is so *we* can establish the cause or extent of the *damage* to quickly and accurately assess *your* claim. Call *us* on **133 723** if *you* would like guidance including where there is hazardous material present.

See **Preventing our right of recovery.**

## Cooperating with us

*You* must provide reasonable assistance to *us*, including:

- being truthful and frank at all times;
- providing *us* with relevant information and documents *we* ask for, such as proof of purchase or repair quotes, if needed;
- telling *us* promptly if *you've* been contacted by someone about an *incident*, such as another insurer or a third party's lawyer;
- attending one or more interviews about the claim if *we* ask *you* to;
- appearing in court, giving evidence or providing a formal statement, if needed;
- making *your* property available for *us* to inspect or examine; and
- responding to *our* requests in a timely manner.

## Cooperating with us (continued...)

At all times *you* must refrain from behaving in a way that's improper, hostile or threatening towards *us*, *our* representatives, *our* suppliers or third parties involved in an *incident*.

If *you* don't cooperate in any of these ways, it may delay *your* claim, or *we* may reduce or refuse to pay *your* claim.

## Contribution and other insurance

When making a claim, *you* must notify *us* of any other insurance that *you're* aware will or may, whether in whole or in part, cover any loss insured under *your* policy.

If at the time of any loss, *damage* or liability there's any other insurance (whether issued to *you* or any other person) which covers the same loss, *damage* or liability *you* must provide *us* with any reasonable assistance *we* require to make a claim for contribution from any other insurer(s).

## Salvage

If *we* pay a claim by replacing or paying to replace any items or materials, *we're* entitled to obtain and retain any items or materials salvaged or recovered. *We* may sell the items or materials and keep the proceeds. If *you* ask *us*, *we* may agree to sell the items or materials to *you*, provided *you* agree to pay the fair market value. This is the price *we* could get if *we* sold the items or materials to someone else who is willing and able to buy them. If there is no market for the items or materials, then *we* will base the amount on enquiries made to appropriately experienced or qualified third party professionals.

## What happens to your contents sum insured after a partial loss?

Following payment of a claim, other than for a *total loss* claim, *your* sum insured will remain unchanged unless *you* request otherwise.

## What happens after a total loss?

Cover ends when we agree to pay *your* claim. However, *we'll* still pay for the following Standard Features if they apply to *your* cover, they are directly connected to the *total loss* and they continue to be relevant:

- **Temporary accommodation costs**
- **Environmental upgrade**
- **Damage to common property causing extraordinary payments or special levy**
- **Administrative fund contributions**

## Specified Contents and Specified Portable Contents

Cover ends for the item when *we* agree to pay *your* claim.

### Portable Contents - Categories

Cover ends for the category when *we* agree to pay *your* claim and *we* pay the full category limit to repair or replace the item(s).

If *you* want to insure any replacement items or reinstate a category limit, then *you* will need to ask *us*. If *we* agree and *you* pay the additional premium, it will be shown on *your Certificate of Insurance*.

### Your premium after a total loss

If *you* paid *your* premium annually there is no premium refund.

If *you* paid in instalments - *you* will still need to pay the total of any remaining premium instalments for the *period of insurance*. If *your* policy comes to an end, depending on how *we* settle *your* claim, *we* will either deduct the total of all remaining instalments from *your* claim settlement or *we* will ask *you* to pay the total to *us*.

The total premium is payable and non-refundable because *you* have received the benefit of the cover *we* provide under the policy.

## Lender's rights

If *we're* settling *your* claim by paying *you* (instead of paying *our* repairer or other service providers), and *you* have used all or part of *your contents* as security for a loan from a lender, *we* reserve the right to pay all or part of the payment to the lender.

The amount *we* pay to the lender will be the lesser of:

- the amount owing to them (with any balance paid to *you*); or
- the amount *we* agree to pay in settlement of the secured property.

A payment made to a lender will satisfy *our* obligation to *you* for the amount paid.

For more information about other interests in *your* policy, see **Interests in the policy**.

## Claim payments and GST

*We* pay claims inclusive of GST unless the owner of the property is a business which is, or needs to be, registered for GST. In that case, *we'll* reduce the amount *we* pay to settle the claim by the Input Tax Credit amount to which they are, or would be, entitled. If they fail to disclose or understate their entitlement, they may be liable for GST on a claim *we* pay.

There may be other taxation implications affecting *you*, depending upon *your* own circumstances. *We* recommend *you* seek professional advice.

## Claims administration, going to court, recovery action and legal liability claims

If *you* suffer loss or *damage* due to an *incident* for which someone else is responsible, *you* may have a legal right to recover some or all of the loss or *damage* from that person, including by taking legal action against them. When *we* pay a claim under *your* policy, *we* have the right to exercise *your* legal rights in *your* name against the person responsible for the loss or *damage*. *We'll* take full control of the administration, conduct or settlement of the recovery, including any legal defence.

When *we* do any of these things in *your* name, it will be at *our* expense, however *you'll* need to give *us* reasonable assistance. This may include following *our* directions in relation to the conduct of any legal proceedings even after a claim has been paid. *You* must not enter into any agreement with anyone else which could limit the amount that could be recovered, including joining class action proceedings, without *our* permission.

## Claims administration, going to court, recovery action and legal liability claims (continued...)

When we pay a claim and some of *your* loss isn't covered by *your* policy, we may offer to try to recover that loss for *you* when we take any steps to recover the covered loss. We can only do so if *you* agree to give us documents and statements that support *your* loss and agree with us on how we'll handle that recovery. *You* may also need to contribute to the associated costs if, to recover the loss for *you*, we need to take additional steps that we wouldn't otherwise need to take.

If we successfully recover more than we paid for *your* claim under *your* policy, we will first keep the amount we paid for *your* claim and the amounts we paid in administrative and legal costs spent towards making the recovery. If there is any amount remaining after this, we will pay *you* the remainder to compensate *you* for loss that was not insured. Finally, we will keep any remaining amounts.

If we determine that *you've* received a benefit under *your* policy that *you* were not entitled to, we reserve the right to recover from *you* the amount we have paid. If we decline a claim for fraud, we reserve the right to recover any amounts we paid to *you* under the policy as well as our reasonable administration, investigation and legal costs from anyone at fault in relation to the fraud.

When we agree to cover *you* for a legal liability claim, we may:

- arrange for a lawyer to represent *you* or we may act on *your* behalf;
- attempt to settle the claim; and/or
- defend the claim.

We will decide whether to defend or settle the claim and how much to pay to settle the claim.

## Preventing our right of recovery

If *you've* agreed with or told someone who caused *you* loss, *damage* or liability that *you* won't hold them responsible, then we won't cover *you* for that loss, *damage* or liability.

## Providing proof of ownership and value

In some cases we will ask *you* for proof that *you* owned the items *you're* claiming for and for documents or other information to assist *us* in assessing their value. Whether we ask for proof and, if we do, the types of documents we ask for may depend on the situation. So that *your* claim can be assessed, make sure *you* keep things like:

- receipts or tax invoices;
- credit card or bank statements;
- guarantee or warranty certificates;
- valuation certificates for jewellery, *collections* and *artworks*; or
- photographs or video film of the item/s in *your home* or being worn by *you*.

If, however, *your* proof of ownership was destroyed in a fire, we may accept other evidence of ownership.

If, after reviewing all the evidence about *your* claim that has been provided to *us*, *we're* not satisfied that *you* actually owned the items, we may refuse to pay *your* claim.

## How we settle claims

We only pay once for loss or *damage* caused by the same event covered by this policy even if that loss or *damage* is covered under more than one section of the policy.

### How we settle claims for contents (excluding fixtures)

If a *damaged* item can be repaired, *we'll* normally pay *our* repairer the necessary and *reasonable cost* to repair *your contents* item to a condition substantially the same as, but not better than, when new.

If it's not economical to repair the item, or it's been lost or stolen, *we'll* replace the item with a new one that's substantially the same where it's practical to do so.

If the policy limit or sum insured is not adequate to repair or replace the item to a condition substantially the same as when new, the most we will pay is the item limit or sum insured.

## Claims

### If you don't use our repairer, or we can't repair or replace the item

We will pay *you* the *reasonable cost* to repair or replace the lost, stolen or *damaged contents* to a condition substantially the same as, but not better than when new if, for example:

- *you* decide to replace those *contents* with items that are not substantially the same;
- *you* decide *you* do not want the *contents* repaired or replaced;
- if it's not practical for *us* to repair or replace *your contents* due to the age, style, type, condition or nature of *your contents* or if materials or skills needed for repairs are not readily and locally available; or
- if *you* choose to go with a repairer of *your* choice.

If *you* don't want an item repaired we will not pay to replace it; *we'll* pay what it would have cost to repair it. See **How we determine the amount we'll pay if the item is repairable.**

If the policy limit or sum insured is not adequate to repair or replace the item to a condition substantially the same as when new, the most we will pay is the item limit or sum insured.

### How we determine the amount we'll pay if the item is repairable

To assess the necessary work required to repair *damaged contents* items *we* will, where possible, obtain a report or quote from *our* repairer. If *you* agree with this, *we* will then pay *you* the amount quoted by *our* repairer.

If *you're* not happy with the amount quoted by *our* repairer, or if *we're* unable to obtain a *report or quote* from *our* repairer, *we'll* ask *you* to provide *us* with a report or quote from a repairer of *your* choice for *us* to consider. *We'll* review this to ensure it covers the necessary work and is within market rates. To determine this, *we'll* consider the following:

- *our* repairer's report or quote (if *we* were able to obtain it);
- *our* own data and experience with similar repairs;
- third party cost estimation sources; and
- *your* circumstances, including the location and attributes of *your contents*.

Following *our* review, *we'll* do one of the following:

- If *we* believe *your* repairer's report or quote covers the necessary work and is within market rates, *we'll* pay *you* the amount quoted by them.

### How we determine the amount we'll pay if the item is repairable (continued...)

- If we believe *your* repairer's report or *quote* either omits or overstates aspects of the work required or their quote is significantly above market rates, we'll discuss this with *you* and/or them and seek agreement on the report or quote.
  - If we come to an agreement with *you* or *your* repairer, we'll pay *you* the amount agreed.
  - If we're still unable to agree with *you* on the amount we'll pay *you*, we'll attempt to obtain a quote or report from an alternative repairer we both agree on, and we'll review this together with *you* to arrive at a final quote. If we're able to come to an agreement, we'll pay *you* the amount quoted by them.
  - If we're unable to agree on an alternative repairer, we believe the alternative repairer's *report or quote* either omits or overstates key aspects of the work required, or we believe their quote is significantly above market rates, we'll refer *you* to *our* complaints process.

If the policy limit or sum insured is not adequate to repair or replace the item to a condition substantially the same as when new, the most we will pay is the item limit or sum insured.

### How we determine the amount we'll pay if the item is not repairable

For replacement items that are readily available including tools, devices and appliances, we will pay *you* an amount equal to the lowest price available to *you* from a reputable commercial retailer at the time we settle the claim.

If an item is not readily available, we'll pay *you* an amount equal to the lowest price available to *you* from a reputable commercial retailer at the time we settle the claim for an equivalent item with similar specifications and functionality.

### How we determine the amount we'll pay if the item can't be replaced

If we can't repair the item, or it can't be replaced because of its antiquity or rarity, we'll pay the lesser of:

- the standard policy limit or, if it's a *Specified Contents* item or a *Specified Portable Contents* item, the specified limit noted on *your Certificate of Insurance*; and
- the fair market value based on enquiries made to independent and appropriately experienced or qualified professionals.

If *your contents* sum insured is inadequate, we will only pay up to the sum insured or any applicable standard policy limits.

## Claims

### The most we'll pay

The most *we'll* pay in total for *your contents* is *your contents* sum insured, plus any Standard Features payable on top of the *contents* sum insured, less any applicable excesses.

*Your contents* sum insured may be increased through the application of the **Contents sum insured adjustment feature**.

The most *we'll* pay in total for *your Portable Contents* is *your Portable Contents* sum insured.

There are limits on what *we'll* pay for some individual items:

- the standard policy limit, where applicable (see **Contents with limits**);
- the specified item limit shown on *your Certificate of Insurance* for items *you* have listed as *Specified Contents*;
- the category limit shown on *your Certificate of Insurance* for Portable Contents - Categories; or

If *you* have not specified an item that is worth more than the standard policy limit, to see how *we* will apply any applicable excess(es) see the Contents Insurance Additional Information Guide at **qbe.com/au** or call *us* on **133 723** for a copy at no charge by *us*.

- the specified item sum insured shown on *your Certificate of Insurance* for items *you* have listed as *Specified Portable Contents*

less any applicable excess(es).

*We* treat the following items differently when *we* pay *your* claim:

Item	What we pay
------	-------------

<b>Photographs and videos</b>	<i>We'll</i> pay for reproducing videos and hard copy photographs <i>you</i> have purchased from, or had produced by, a professional photographic business if the necessary electronic data is available. <i>We</i> do not pay to reconstruct any circumstances or conditions.
-------------------------------	--

<b>Sets or pairs</b>	If <i>we</i> can't repair an item which forms part of a <i>set or pair</i> or it can't be replaced because: <ul style="list-style-type: none"><li>• <i>we're</i> unable to reasonably match it; or</li><li>• the functionality of the <i>set or pair</i> is lost (e.g. hearing aids/<i>sporting equipment</i>)</li></ul> <i>you</i> can choose to either: <ul style="list-style-type: none"><li>• surrender the remaining item(s) to <i>us</i>, in which case <i>we'll</i> pay the replacement value of the <i>set or pair</i>, up to any applicable limit; or</li></ul>
----------------------	--

Item	What we pay
<b>Sets or pairs</b> (continued...)	<ul style="list-style-type: none"> <li>keep the remaining item(s), in which case we'll pay the replacement value of the lost or <i>damaged</i> item.</li> </ul> <p>We don't allow for any special value the item may have as forming part of a <i>set or pair</i>, or for any reduction in value of the remaining part(s).</p>

## How we settle claims for fixtures

We'll normally pay *our* supplier the necessary and *reasonable cost* to repair or replace the *damaged fixtures* to a condition substantially the same as, but not better than, when new.

### If you don't use our supplier

We will pay *you* the *reasonable cost* to repair or replace the *damaged* parts of *your fixtures* to a condition substantially the same as but not better than when new if, for example:

- if it's not practical for *us* to repair or replace *your fixtures* due to the age, policy limit, inadequate sum insured, construction or condition of *your fixtures* or if materials needed for repairs are not readily available; or
- if *you* choose to go with a supplier (which includes a repairer or builder) of *your* choice.

To assess the cost of the necessary work required to repair or replace the *damaged* parts of *your fixtures* we will, where possible, obtain a *scope of works* and a quote from *our* supplier. If *you* agree with this, we will then pay *you* the amount quoted by *our* supplier.

If *you're* not happy with the amount quoted by *our* supplier, or if *we're* unable to obtain a *scope of works* from *our* supplier, *we'll* ask *you* to provide *us* with a fully itemised *scope of works* and quote from a supplier of *your* choice for *us* to consider. *We'll* review these to ensure they cover the necessary work and are within market rates. To determine this, *we'll* consider the following:

- our* supplier's *scope of works* and quote (if *we* were able to obtain it);
- our* own data and experience with similar repairs or replacement;
- third party cost estimation sources; and
- your* circumstances, including the location and attributes of *your fixtures*.

## Claims

### If you don't use our supplier (continued...)

Following *our* review, *we'll* do one of the following:

- If *we* believe *your* supplier's *scope of works* and quote cover the necessary work and are within market rates, *we'll* pay *you* the amount quoted by them.
- If *we* believe *your* supplier's *scope of works* either omits or overstates aspects of the work required or their quote is significantly above market rates, *we'll* discuss this with *you* and/or them and seek agreement on the *scope of works* and quote.
  - If *we* come to an agreement with *you* or *your* supplier, *we'll* pay *you* the amount agreed.
  - If *we're* still unable to agree with *you* on the amount *we'll* pay *you*, *we'll* attempt to obtain a *scope of works*, quote or report (as required) from an alternative supplier *we* both agree on, and *we'll* review these together with *you* to arrive at a final *scope of works* and quote. If *we're* able to come to an agreement, *we'll* pay *you* the amount quoted by them.
  - If *we're* unable to agree on an alternative supplier, *we* believe the alternative supplier's *scope of work* either omits or overstates key aspects of the work required, or *we* believe their quote is significantly above market rates, *we'll* refer *you* to *our* complaints process.

Whether *we* arrange the repairs or replacement or pay *you* the cost to complete the repairs or replacement, *we'll* also pay the necessary and *reasonable costs* as part of *your contents* sum insured:

- for demolition;
- to remove debris from *your property address*; and
- to comply with current building codes and statutory requirements.

*We* won't pay for any undamaged parts of *your fixtures*, even to restore those undamaged parts to achieve a uniform appearance other than to the extent set out in the table below:

---

#### Damage to internal flooring

*We'll* pay to repair or replace up to an existing change or join in the carpet, linoleum, floating floor or other fixed floor covering, or to an archway, doorway or similar opening, whichever is closest to the *damage*.

*We'll* consider a combined lounge/dining room as one room if the opening between them is more than 82cm wide.

This is a common width of a doorway.

*We* won't pay to replace any undamaged materials in any other adjoining rooms, hallways or stairwells.

---

---

**Damage to internal walls**      We'll pay to repair or replace the *damaged* wall(s). We won't pay to replace the wall covering, for example wallpaper or paint on any adjoining walls or in any adjoining rooms, hallways or stairwells.

---

**Damage to internal fixtures/ fittings**      We'll pay to repair or replace fitted cupboards, sections of cabinets and sections of benchtops if they are continuously joined to, and made of the same material as, the *damaged* part.

---

### **Matching materials (applicable to strata lot owners only)**

If part of *your home* is *damaged* by an Insured Event and we agree to pay *your* claim, we'll match existing materials if they're commercially available in Australia when we repair or replace the *damaged* property.

If not, we'll use the nearest equivalent materials that we can source locally. In this case, if the *damage* is inside *your home*, we will also pay up to \$1,000 to replace undamaged parts of the same room, hallway or stairwell (to the nearest doorway, archway, or other opening) so that it matches or complements the materials we've used. We'll consider a combined lounge/dining room as one room if the opening between them is more than 82cm wide (this is a common width of a doorway). If *you're* not satisfied with the nearest equivalent materials we source, we will pay *you* what it would have cost to repair or replace with these materials.

If any replacement of undamaged property under this section needs the approval of a *strata body corporate*, then we only pay for the replacement (or pay *you* what the replacement costs) if *you* get that approval.

### **The most we'll pay**

The most we'll pay is *your contents* sum insured plus any Standard Features payable on top of the *contents* sum insured, less any applicable excesses.

## Excesses

In most cases, *you'll* need to contribute an amount towards the cost of any claims *we* agree to pay. *Your* contribution may be made up of one or more of the following excess types. There may be other excesses that apply in special circumstances. The excess types and amounts that apply to *your* policy will be shown on *your Certificate of Insurance*. For additional information about excesses and how they apply to *your* policy, read *our* Contents Insurance Additional Information Guide at [qbe.com/au](http://qbe.com/au) or call *us* on **133 723** for a copy at no charge by *us*.

We will not apply an excess for legal liability claims.

A different excess applies for each of the following periods when *your home* is *unoccupied*:

- **Riot;**
  - **Lightning;**
  - **Earthquake or tsunami;**
  - **Collision;** or
  - **Falling tree or branch.**
- 

## How we collect the excess

When an excess applies to *your* claim, *we'll* let *you* know when and how to pay the excess as this will depend on how *your* claim is settled. For example:

- If we repair *your* property, *we'll* normally ask *you* to pay the excess to the repairer or supplier before they start the work.
- If we replace *your* property, *we'll* normally ask *you* to pay the excess to the supplier of the replacement item.
- In some instances, *we'll* ask *you* to pay *your* excess to *us*, such as where a supplier is not able to accept an excess payment.
- If we pay *you* the *reasonable cost* to repair or replace *your* property, we will deduct the excess from the amount we pay *you*.

Pay *your* excess as soon as practicable, or call *us* should circumstances prevent *you* from paying *your* excess.

# Paying, renewing and cancelling

## Paying your premium

*Your* premium is the cost of *your* policy. It is the amount *we* set by taking into account things like the chance of *you* making a claim under *your* policy, the cover options *you've* chosen as well as other factors including *our* costs of doing business. *Your* premium also includes GST and other applicable government fees, duties and charges.

*We'll* let *you* know how much premium *you* need to pay *us*, how to pay it and when. *You* must pay *us* *your* premium on time to stay covered. For more information about how *we* set *your* premium, read *our* Contents Insurance Additional Information Guide at **qbe.com/au** or call *us* for a copy at no charge by *us*.

*We* offer *you* several ways to pay *your* premium, including by direct debit which is explained below.

## Paying by direct debit

*You* can choose to pay *your* premium annually or in instalments by direct debit.

If *you* choose to pay by direct debit, *you* authorise *us* to debit *your* nominated account for the agreed premium. If the scheduled debit date shown on *your* *Certificate of Insurance* is a NSW public holiday or bank holiday, *we'll* debit *your* account on the next business day. *We'll* give *you* at least 14 days' notice if *we* change the way the direct debit of *your* policy works.

*You* need to make sure *your* nominated account details are correct and up to date. This includes advising *us* of the expiry date of a payment card or a change to the payment method. If *your* nominated account details change *you* must tell *us* at least 7 days before the next instalment is due.

Check with *your* financial institution whether *your* account allows direct debits.

*You* need to have enough funds in *your* nominated account to allow *our* scheduled debit. If *you* don't, *you'll* be responsible for any fee or interest charged by *your* financial institution. *You* can also choose to stop *your* direct debit by contacting *your* financial institution.

## Important - what happens if your direct debit fails

If *you've* chosen to pay *your* premium annually by direct debit and we don't receive *your* payment on time, we may cancel *your* policy as permitted by law and refuse to pay a claim.

If *you've* chosen to pay *your* premium by direct debit instalments and an instalment remains unpaid for one month or more, we may cancel *your* policy and refuse to pay a claim.

## Renewing your policy

If we invite *you* to renew *your* policy, we'll send *you* a renewal *Certificate of Insurance*. If *you* make any changes to *your* policy after we send *you* our renewal invitation, and we agree to continue to insure *you*, we'll send *you* an updated renewal invitation. *You'll* need to pay *us* any additional premium to ensure *your* cover is not affected.

### If you pay your premium by direct debit

If *you* pay *your* premium by direct debit and we invite *you* to renew *your* policy, **we'll continue to debit your premium payments**, either annually or in instalments, whichever *you've* previously chosen.

If *you* don't want to renew, *you* must tell *us* at least 7 days before *your* policy's end date so that we can arrange for the direct debit to stop in time.

## Cancelling your policy

*You* can cancel *your* policy at any time by telling *us*. We can cancel *your* policy as permitted by law, for example if *you* do not pay *us* *your* premium or if *you* told *us* something that *you* knew to be incorrect or untrue during *your* application for cover.

We can also cancel *your* policy if *your* circumstances change and no longer fall within *our* underwriting rules. See **Tell us when these things change**.

If *you've* paid *your* premium in advance and *your* policy is cancelled, we'll refund *you* the proportion of the premium for the remaining *period of insurance*, minus any non-refundable government fees, duties or charges. But see **Cooling off period** where *you* may be entitled to a full refund.

If *you* make a fraudulent claim on *your* policy, we can cancel it and we won't provide any refund.
