

What's changed

Journey Insurance

At QBE, we are working hard to ensure we communicate our intentions and actions as clearly as possible in our insurance policies. As part of this process we have been undertaking a review of our Product Disclosure Statements (PDSs) and Policy Wordings and have made changes to better explain how your insurance policy will operate, what you can expect from us and what we ask of you in return.

The purpose of this document is to provide a summary of recent changes to your policy terms and conditions. This document does not form part of any insurance policy and is not used in the assessment of insurance claims. Any insurance claim will be assessed against the policy terms and conditions and applicable law.
